FLO-KEM, Inc.
19402 Susana Road
Compton, CA 90221

Attention: Peter L. Greenwood

Gentlemen:

Subject: Quaternary Germicidal Cleaner
EPA Registration No. 10693-1
Your Amendment Application Dated May 20, 1987

The amendment referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. On the front panel, anhydrous sodium metasilicate, essential oils, and tetrasodium ethylene diamine tetraacetate should be placed in the Inert Ingredients. The Inert Ingredients percentages should be changed accordingly.
 - b. On the right panel, the directions for sanitizing should be placed under RECOMMENDED DILUTIONS with a heading of SANITIZING. Also state that sanitizing is for nonfood contact surfaces.
 - c. On the right panel, delete the word "healthful."
 - d. On the right panel under the RECOMMENDED DILUTIONS heading, add the following misuse statement:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 - e. Delete the statement "Only for Sale To, Use and Storage By Service Persons."

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

John H. Lee 
Product Manager (31)
Disinfectants Branch
Registration Division (TS-767C)

STORAGE AND DISPOSAL

STORAGE: Keep in a cool dry place. Keep the containers closed when not in use. Do not use, pour, spill, or store near heat or open flame.

"Do not contaminate water, food, or feed by storage or disposal."

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Plastic containers may be disposed of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PESTICIDE DISPOSAL

"Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility."
