PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals /

CAUTION:

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After space spraying in meat packing plants, bakeries, and other food processing plants, these areas should be ventilated to remove insecticide odors, and the facilities and equipment thoroughly washed with an acceptable detergent solution and rinsed with potable water to remove all traces of contamination. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed with an acceptable detergent and rinsed with water. Remove pets, birds and cover fish aquariums before spraying.

Environmental Hazards

This product is toxic to fish and other wildlife. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

Physical or Chemical Hazards Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

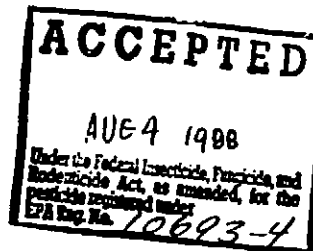

STORAGE: Keep in a cool dry place. Keep the containers closed when not in use. Do not use, pour, spill or store near heat or open flame. Do not contaminate water, food, or feed by storage or disposal.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic containers may be disposed of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Germicidal Cleaners

DISINFECTANTS

**MINT
DISINFECTANT**

ON SIDE PANEL

Active Ingredients:

O-Benzyl-p-chlorophenol 2.85%
Pine oil 2.00%

Inert Ingredients: 95.15%

Total 100.00%

EPA REG. NO. 10693-4 • EPA EST. NO. 10693-CA-1
NET CONTENTS: 1 GALLON

It is a violation of federal law to use this product in a manner inconsistent with labeling.

DIRECTIONS FOR USE

For Industrial Use Only. Motels, hotels, offices, schools, convalescent hospitals. To disinfect floors, woodwork, walls and tile surfaces, remove gross filth and heavy soil deposits, then mix 5 fluid ounces of MINT DISINFECTANT per gallon of water and apply by spray brush, mop or cloth, taking care the surface is thoroughly wetted. Let stand on surface for 10 minutes. Removes excess material by mop, sponge, or cloth. Subsequent rinsing is not necessary. For deodorizing use 1 1/2 fluid ounces per gallon of water.

NOT FOR AGRICULTURE FOOD USES.

CAUTION: This disinfectant may cause skin and eye irritation. Avoid contact with skin and eyes. Harmful if taken internally. Call physician. Wash thoroughly if in contact; for eyes, get medical attention. Do not contaminate or store near food or foodstuffs.
