PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
WARNING

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After space spraying in meat curing plants, bakeries, and other food processing plants, these areas should be vacated to remove hazardous odors, and the facilities and equipment thoroughly washed with an acceptable detergent solution and rinsed with potable water to remove all traces of contamination. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed with an acceptable detergent and rinsed with water. Remove pets, birds and cover fish aquariums before spraying.

Environmental Hazards

This product is toxic to fish and other wildlife. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Physical or Chemical Hazards: Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

STORAGE: Keep in a cool dry place. Keep the containers closed when not in use. Do not use, pour, spill or store near heat or open flame.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

Germicidal Cleaners
DISINFECTANTS
