USE DIRECTIONS:

Disinfection

Use at 2 ounces per gallon. This product will be effective against Pseudomonas aeruginosa PRD-10 at this level. This has been substantiated by the AOAC Use Dilution Confirmation Test. At this level, the product is fungicidal against pathogenic fungi.

For best results, use Trophy No-Bac Plus with a cloth or mop and apply to walls, floors and other hard surfaces.

Sanitization

If used for sanitization of previously cleaned food equipment or food contact items, limit the level of active quaternaries to 200 ppm (2.8 ounces per 5 gallons of water). NO RINSE REQUIRED AT THIS LEVEL.

For heavy soil or organic matter, a pre-cleaning step is recommended.

This product when used on environmental, inanimate, hard surfaces at 2 ounces per gallon of water, is effective against Influenza A₂, Herpes Simplex, Adenovirus type 2, and Vaccinia viruses.
