SL-1691—COLEMAN CO.—202 x 406, 6 OZ.—GOLD, RED, BLACK

CAUTION: KEEP OUT OF REACH OF CHILDREN
(See directions on back panel)

Coleman Personal Repellent is designed to give hours of protection to campers, hunters, fishermen, bathers, and outdoor sportsmen. It protects against Mosquitoes, Chiggers, Ticks, Biting Flies, Fleas, and other small flying insects.

DIRECTIONS FOR USE

Shake vigorously for best results. Hold container at least 12 inches from skin or clothing, point valve in desired direction, and press button. Apply liberally to all exposed skin areas. Repeat when insects become annoying. To protect from ticks and chiggers, apply liberally to shoe tops, socks, and around openings in clothing. Repeat as necessary.

CAUTION KEEP OUT OF REACH OF CHILDREN

Instruct older children to the proper use of this product. Do not spray toward the eyes or mouth. To apply to face and neck, spray repellent onto hand and rub onto face and neck areas, avoid contact with the eyes and mouth.

Avoid contact with plastics such as eyeglass frames and boat trim. Do not spray acetate, rayon, dynel, and spandex fabrics.

WARNING FLAMMABLE Do not spray near fire or open flame. Avoid open flames until alcohol has evaporated. Contents under pressure. Do not incinerate or store can above 120° F. Excessive temperature may cause container to burst. Do not puncture can.
