# DIRECTIONS

Pour complete contents into toilet bowl and flush until all goes into sewer line. Two or three flushes may be required. Best results are obtained during last flush at night. Control future root growth by using Scotch Root Destroyer every 3 months.

## MONEY BACK GUARANTEE

If not satisfied you may send us your sales receipt and we will refund your money.

**WARNING:** Harmful or fatal if swallowed. Avoid breathing dust. Avoid contact with eyes or skin. Wash after using. Contains Copper Sulfate. Do not pour into sinks or tubs with chrome fittings. Not intended to dissolve grease in drains. For the best in drain openers use INSTANT PLUMBER by Scotch. Do not reuse container. Destroy when empty.

**ANTIDOTE:** Call Physician immediately. Then give one ounce Milk of Magnesia or the beaten white of 2 or 3 eggs immediately.
