

kleenaseptic™

NDC 483-3-16

BACTERICIDAL
(including Pseudomonas aeruginosa,
Salmonella choleraesuis, and
Staphylococcus aureus)

DEODORIZER
Suppresses malodor at its source

DIRECTIONS
Hold dispenser 12" from surface to be
cleaned. Foam surface until thoroughly
wet and within a few seconds wipe with
clean cloth. Broad spectrum germicidal
cleansing agent for counter tops, bedside
tables, trays, bed pans, urinals, walls,
general operating rooms and delivery
rooms, shower stalls, tubs and emesis
basins. Especially effective in critical
isolation sections. Recommended for
carts including wheels used in these
areas as well as shoe soles of persons
entering and leaving isolation. Will
not run or streak. Rinsing unnecessary

SHAKE BEFORE USING
