

vāpaseptic®

Mint Spice

Reorder 79 250 70

Use in all areas of the hospital, nursing homes, Dentist's offices, veterinary clinics, hotels, motels, and schools to eliminate odors and temporarily reduce the number of airborne bacteria and virus.

Destroys most bacteria on hard surfaces in all areas of the hospital. Kills mold and mildew and inhibits further growth for up to a week on hard surfaces such as glass, ceramic tile, stainless steel, painted surfaces and floors.

DIRECTIONS:

For Disinfecting: Hold can upright about 6 to 8 inches from surface to be disinfected and spray for 3 seconds so as to wet surfaces thoroughly with the spray.

For Air Sanitizing: Close all doors and windows prior to using this product. Hold can upright and spray toward ceiling for 6 to 8 seconds in an average room (10' x 10' x 8'). Effective against bathroom and sickroom odors. Leaves air pleasantly scented and sanitized.

For Mildew: Clean the surface prior to spraying. Spray the surface for 3 seconds so as to thoroughly wet the surface. Repeat once a week to inhibit further mildew growth.

ACTIVE INGREDIENTS:

Diisobutylphenoxyethoxyethyl dimethyl benzyl ammonium chloride.....	0.24%
Isopropyl Alcohol.....	12.56%
Triethylene Glycol.....	3.80%
Propylene Glycol.....	3.20%
*INERT INGREDIENTS.....	80.20%
	100.00%

*Includes essential oils, aromatics and propellent.

WARNING: Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Avoid spraying in eyes or on food or foodstuffs. May be harmful if swallowed. In case of contact, immediately flush eyes with plenty of water. If irritation persists, get medical attention. Keep out of reach of children.
