

aseptic b[®]
Disinfectant-Cleaner
ready to use

BACTERICIDAL - FUNGICIDAL
including

Pseudomonas aeruginosa
Salmonella choleraesuis
Staphylococcus aureus
Mold and mildew
Aspergillus niger
Trichophyton mentagrophytes

APPLICATION

A broad spectrum germicidal cleansing agent for hard surfaces including glass, ceramic tile, stainless steel, painted surfaces, and floors. Use in all areas of the Hospital, Nursing Homes, Dental Offices, Veterinary Clinics, Hotels, Motels, and Schools. Leaves an invisible film and sparkling clear finish. Especially effective in critical Isolation Sections.

DISINFECTION & CLEANING

General — To disinfect walls, floors, and other hard surfaces, mop or wipe clean with Kleenaseptic b[®] Disinfectant Cleaner, wetting the entire surface thoroughly, and allow to dry.

Mold and Mildew — To control mold and mildew on clean hard surfaces, mop and wipe to wet surface thoroughly. Repeat application in seven days or as necessary to maintain control.

Heavy Soils — Surfaces contaminated with bacterial growth supporting media, such as

REORDER NO. 79-241-01

DISINFECTANT-CLEANER-SANITIZER
FUNGICIDE-DEODORANT

ready to use

ACTIVE INGREDIENTS. . .

Diisobutylphenoxyethoxyethyl dimethyl
benzyl ammonium chloride 0.25%
Isopropanol 15.3%
INERT INGREDIENTS 84.45%

CONTAINS BIODEGRADABLE DETERGENT

WARNING

KEEP OUT OF REACH OF CHILDREN

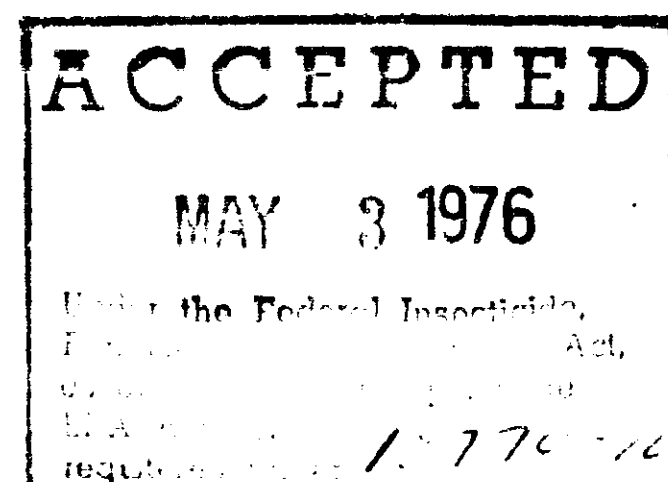

See first aid and additional precautions on side panel. Container Disposal: When empty, rinse container thoroughly with water and destroy it by crushing or burying in a safe place.

MANUFACTURED BY

NET CONTENTS

**4 - 1 gal.
bottles**

food stuffs, blood, exudates, vomitus, or fecal matter, should be scrubbed thoroughly with Kleenaseptic b[®] Disinfectant Cleaner until free of all visible deposits, wiped dry, thoroughly cleaned again with a fresh rinse of Kleenaseptic b[®] Disinfectant Cleaner and allowed to air dry.

FOOD CONTACTING SURFACES

Disinfect as directed above, then after ten or more minutes drying time, rinse with clear hot water of drinking quality.

DEODORIZING

When used as directed, Kleenaseptic b[®] Disinfectant Cleaner removes odorous contaminants, reduces odor-causing bacteria, and signals sanitizing action with a pleasant mint aroma. See left panel for use directions.

WARNING

KEEP OUT OF REACH OF CHILDREN

Causes eye irritation and possible skin irritation. Do not get in eyes. Avoid excessive skin contact. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of eye contact, immediately flush eyes with plenty of water, for at least 15 minutes. Call a physician.

If swallowed promptly induce vomiting or initiate gastric lavage. Call a physician.

If skin contact occurs, wash thoroughly. Wash contaminated clothing before reuse.
