Subject: Sno Bol Toilet Bowl Cleaner
EPA Registration No.: 10772-5
Notification Date: December 21, 2009
EPA Receipt Date: December 23, 2009

Dear Mr. Domanski,

This letter acknowledges receipt of your notification submitted under the provision of FIFRA section 3(c)9 and PR Notice 98-10.

Proposed Notification

- Revise disposal statement per PR Notice 2007-4 to reflect "nonrefillable container."
- Update emergency call number from 800-926-5222 to 800-234-1828.

General Comments

Based on a review of the submitted materials, your notification for the revised disposal statement and updated emergency call number is acceptable and a part of the records on file.

Should you have any questions or comments concerning this letter, please contact Jacqueline Campbell-McFarlane at 703-308-6416.

Sincerely,

Jacqueline Campbell-McFarlane
Acting Product Manager (PM-34)
Regulatory Management Branch 2
Antimicrobials Division (7510P)

RE: Notification – Label changes for EPA Reg. No. 10772-5 - Sno Bol Toilet Bowl Cleaner.

This notification replaces the previous Notification document, dated December 14, 2009, that contained the incorrect Notification certification statement.

Enclosed is a completed EPA Form 8570-1 and 2 copies of the revised labeling. Also, enclosed is one copy of the label where the changes are highlighted in yellow. The Storage and Disposal section of the label has been revised to reflect that the container is "nonrefillable" as per PR Notice 2007-4. The following certification statement appears on EPA Form 8570-1:

Notification of label change per PR Notice 2007-4. This notification is consistent with the guideline in PR Notice 2007-4 and the requirements of EPA's regulation at 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under section 12 and 14 of FIFRA.

The emergency telephone number in the First Aid section has been changed. I believe that this change can be made by "Non-notification", as per PR Notice (PR) 98-10 (Section IV. Non-Notifications, Part F, No. 7 [Consumer Access Numbers]).

If you have any questions or require additional information, I can be reached telephone at 609-497-7508 or by email at j.domanski@att.net. Thank you for your assistance in this matter.

Sincerely yours,

John Domanski
Sr. Manager

Back Panel:

SNO BOL Toilet Bowl Cleaner

Cleans

Deodorizes

Disinfects

Fast acting stain remover

Cleans tough stains – even stubborn rust and hard water stains.

Thick Liquid formula sticks to (coats) the bowl for better cleaning.

Cleans, deodorizes and removes tough, stubborn rust and hard water stains.

(Kills many germs the brush can't reach). (Cleans and disinfects). (Removes the stains you see, kills most germs you don't). Regular use of SNO BOL ® Toilet Bowl Cleaner (this product) kills many germs and keeps toilet bowls sparkling.

Hospital disinfectant: Kills household germs including staph, salmonella, pseudomonas, as well as influenza A-2 (Japan), influenza B (Hong Kong) and Rhinoviruse type 14 known to cause flu and colds.

Safe for white or colored bowls. Will not harm septic tanks.

CAP INSTRUCTIONS: To Open, squeeze cap sides, as indicated by arrows, while unscrewing. To Close, screw on protective cap tightly after using.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

General Precautions and Restrictions

Contains hydrochloric acid

Use in a well ventilated area.

Do not mix with chlorine bleach, ammonia, cleansers or other household chemicals.

Raise toilet seat. Point top of bottle down into bowl. Squeeze gently, directing the fluid under the rim, on the sides, and into the water. Brush bowl and flush. Rinse brush in fresh water after use. Clean up any spilled SNO BOL right away. This product is recommended for cleaning and disinfecting toilet bowls. Do not use on bathtubs, wash bowls, other enamel surfaces, chrome, flooring or counter tops. Do not set bottle on these fixtures. **READ CAUTIONS BELOW:**

For Badly Discolored Bowls – Remove water from bowl and brush out with 1 to 8 oz. of SNO BOL.

To Disinfect – Cover all surfaces of bowl interior with 4 oz. of SNO BOL (squeeze approximately 15 seconds). Swab bowl completely, including under the rim. Let stand at least 10 minutes, then flush.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER

Corrosive: Causes irreversible eye damage or skin burns. May be fatal if swallowed. Harmful if absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear safety glasses or goggles. Wear protective clothing (long-sleeve shirt and long pants, socks plus shoes and chemical-resistant gloves such as waterproof gloves). Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

FIRST AID	
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-30 minutes. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If Inhaled	<p>Move person to fresh air.</p> <ul style="list-style-type: none"> • If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.
NOTE TO PHYSICIAN: Probably mucosal damage may contraindicate the use of gastric lavage.	
In case of emergency call 1-800-234-1828. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

STORAGE AND DISPOSAL: Store this product in a cool dry place. **Nonrefillable container. Do not reuse or refillable this container.** Wrap bottle and put in trash.
