RE: Notification – Label changes for EPA Reg. No. 10772-18 Boundary Indoor/Outdoor Dog and Cat Repellent Pump Spray.

Dear Mr. Hebert,

Enclosed are a completed EPA Form 8570-1, containing the required Notification certifications for PR Notice 2007-1 and 2007-4 and 2 copies of the revised label. On one copy, I have highlighted the label change in yellow. On the second copy, the changes have also been marked with text describing the changes. You chose the one that you feel is most appropriate for your needs. The changes are to the Disposal statements. As per PR Notice 2007-4, the phrase "Nonrefillable container." has been added. In addition, "or 1-800-CLEANUP" has also been deleted from the previously approved label (PR Notice 2007-1).

The type size of the Notification statements on EPA Form 8570-1 is small. For your convenience I have also listed these statements below:

Notification of label change per PR Notice 2007-1. This notification is consistent with the guideline in PR Notice 2007-1 and the requirements of EPA's regulation at 40 CFR §§ 156.10 and CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the guidance of PR Notice 2007-1 and the requirements of 40 CFR §§ 156.10 and 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under section 12 and 14 of FIFRA.

Notification of label change per PR Notice 2007-4. This notification is consistent with the guideline in PR Notice 2007-4 and the requirements of EPA's regulation at 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under section 12 and 14 of FIFRA.

If you have any questions or require additional information, I can be reached telephone at 609-497-7508 or by email at <u>i.domanski@att.net</u>. Thank you for your assistance in this matter.
