ACTIVE INGREDIENTS

Sodium Fluoroborate 40

INERT INGREDIENTS

This package should not be
refilled. It should be
discarded after it is empty.

Directions

The powder must be placed
only in areas inaccessible to
children and pets. Any non-
dew-baiting application is
completed should be care-
fully sealed into a bag and
disposed of or else removed.
Powder should be applied on
surfaces, both of which will
be eaten by roaches and
detritus, and also on the
deteriorated areas of the
hood, as a bait.

Repeat the application every
day until the roach infestation
is eradicated.
