This product has no connection whatsoever with American National Red Cross

The Red Cross Nurse  
with

**Powerful Hexachlorophene**

- Kills "staph", "strep" and many other dangerous germs on environmental surfaces.
- Destroys odor-causing bacteria.

**Where to use**

Use about bathroom, nursery, laundry and kitchen. On sinks, tubs, shower stalls and toilets. For garbage cans, diaper pails and hampers. On telephones and door knobs. In smoky rooms.

**How to use**

**As a surface disinfectant:** After thorough cleaning, spray Red Cross Nurse from a distance of 8 to 12 inches to saturate surface.

**As a deodorizer:** Spray for a few seconds toward ceiling in center of room to dispel odors.

**Active Ingredient(s):** Ethyl Alcohol 69.3%; Essential Oils 1.55%; 2, 2'-methylenebis (3, 4, 6-trichlorophenol) 0.3%.

**Inert Ingredient(s):** Water 28.85%.

**CAUTION:** Warning — Flammable! Keep away from heat or open flame. Avoid contact with food. Keep away from children. Do not spray on painted or varnished surfaces. Spray away from face. Rinse empty container thoroughly with water before discarding.
