Attention: Mr. Edward Piranian

Subject: Contact Dog and Cat Repellent
EPA Registration No. 10806-2
Your amended application of October 12, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you:

1. On your Front Panel, delete the "STATEMENT OF PRACTICAL TREATMENT" because the current acute toxicity data do not support such statements.
2. Replace your current CAUTION statement with the following:

Harmful if swallowed or absorbed through the skin.
Avoid contact with skin. Wash hands with soap and water after spraying.

Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment. Cover exposed food. Do not apply to food crops.

3. Delete your ENVIRONMENTAL HAZARDS statement.
4. Revise your use directions as follows:

DIRECTIONS FOR USE

It is ... with its labeling. [misuse statement]

GENERAL: SHAKE WELL BEFORE USING.

Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants.

Recycled/Recyclable
Printed on paper that contains
at least 75% recycled fiber

as amended, for the pesticide
registered under EPA Reg. No.
10806-2

**CONTACT
DOG AND CAT REPELLENT
INDOOR - OUTDOOR
TRAINING AID**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed. Contains petroleum distillate solvent which may present an aspiration hazard. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapors of spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic animals. Keep out of lakes, streams, and ponds. Do not apply directly to water or to areas where surface water is present. Do not contaminate water by disposal.

PHYSICAL OR CHEMICAL HAZARDS

CAUTION: FLAMMABLE. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F. may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

INDOORS: To break your pet of undesirable habits (such as sleeping on furniture, rugs, and other forbidden areas in your home): Spray the article of furniture, rug, etc., lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabric or plastics, test the effect of this product by first treating a small inconspicuous area. This product may stain or soften some fabrics or plastics. An alternate method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary until undesirable habit is broken.

OUTDOORS: To prevent your pet, or stray animals from soiling flower beds, areas of lawn, trees, shrubbery or evergreens: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly everyday, or every other day with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings

, then spray the spot with this masking odor. Reapply as often as necessary until undesirable habits of your pet or stray animals are changed. **DO NOT APPLY DIRECTLY TO FOLIAGE OF SHRUBS OR TO ORNAMENTAL, SOFT-BODIED PLANTS.**

GENERAL: For both indoor and outdoor situations, the most effective control for a pet is the sharply spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place away from heat and open flame.

DISPOSAL: Do not reuse empty container. Replace cap and discard container in trash. Do not puncture or incinerate.
