Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and warm water after use.

In the home, all food processing surfaces, exposed food and utensils, should be covered during treatment, or thoroughly washed before use.

Cover or remove fish aquariums before spraying.

Physical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not re-use empty container. Wrap container and put in trash collection. Do not puncture or incinerate container.

SHAKE BEFORE USE. HOLD CONTAINER UPRIGHT.

Provides a positive aid to control pesty insects such as fleas, lice and mites. When used as directed, will control odors and leave your LITTLE PAL clean and fresh.

DIRECTIONS: Shake well before use. Hold container in upright position. Spray about ten inches from animal. Repeat weekly or as directed by veterinarian. Use in pets' sleeping area and on bedding to control reinfestation.
