Dear Mr. Norris:

Subject: Conversion of Glycols to Inert Status  
Little Pal Spray Mist  
EPA Registration No. 10806-32  
Your Submissions Dated November 5 and 15, 1990

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

The formula dated November 15, 1990 is acceptable and has been included in our files for this pesticide. There is a slight error in that CSP, however, the total weight adds to 101.35 lbs.

Please submit the study on which the claim "Flame extension - 0" is based.

Precautionary Statements

Hazards to Humans and Domestic Animals

**CAUTION**

Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and warm water after use.

In the home, all food processing surfaces, exposed food and utensils, should be covered during treatment, or thoroughly washed before use.

Cover or remove fish aquariums before spraying.

Physical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not re-use empty container. Wrap container and put in trash collection. Do not puncture or incinerate container.

SHAKE BEFORE USE. HOLD CONTAINER UPRIGHT.

Provides a positive aid to control pesty insects such as fleas, lice and mites. When used as directed, will control odors and leave your LITTLE PAL clean and fresh.

DIRECTIONS: Shake well before use. Hold container in upright position. Spray about ten inches from animal. Repeat weekly or as directed by veterinarian. Use in pets' sleeping area and on bedding to control reinfestation.
