PRECAUTIONARY STATEMENTS

Hazards to Humans
(and Domestic Animals)

CAUTION

Do not install directly over any food handling or dispensing area. Do not use in nurseries or rooms where infants, ill or aged persons, are confined. Remove all pets including fish, birds and reptiles from rooms where these devices are operating.

< Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal

Storage: Store in a cool, dry place.

Disposal: Do not use empty container. Wrap container and put in trash collection.

To Install: Place dispenser 12 feet or more from exposed food. Install at a distance of 7 feet from the floor and where air currents will carry spray throughout room. One unit will treat up to 6,000 cubic feet of air space (a room 30 x 20 x 10) for 30 days, 24 hours a day.

To Operate: Remove protective cap and place can in dispenser. Turn on dispenser. The automatic dispenser will dispense 100 mg. of insecticide every 15 minutes. Its effectiveness will be noticeable one hour after activation.

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.
