Kills Fleas and Brown Dog Ticks on Dogs and Cats

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Drink 1 or 2 glasses of water and induce vomiting by touching finger to back of throat. Get medical attention immediately.

If In Eyes: Flush with plenty of water. Get medical attention if irritation persists.

If On Skin: Remove contaminated clothing. Wash skin with soap and warm water. Get medical attention if irritation persists.

Net Weight 16 oz.  
Manufactured by:

Contact Industries, Inc.  
Elizabeth, NJ 07201

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

**CAUTION**

Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and warm water after use.

In the home, all food processing surfaces, exposed food and utensils should be covered during treatment, or thoroughly washed before use.

Cover or remove fish bowls and aquariums before spraying.

Physical or Chemical Hazards

FLAMMABLE. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USE

To Kill Brown Dog Ticks and Fleas:

Spray the animal from a distance of 8 - 12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under the body. As you spray, fluff the hair so the spray will penetrate to the skin. Make sure spray wets ticks thoroughly. Do not spray into the face, eyes, or on genitalia. Repeat as needed.

Do not spray on nursing puppies or kittens.

For Pet Bedding and Resting Areas:

Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding should be removed and replaced with clean, fresh bedding after treatment.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area. Keep container closed.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.
