

NOTICE OF PESTICIDE Reregistration

Contact Insect Repellent

(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Contact Industries  
641 Dowd Avenue  
Elizabeth, NJ 07201

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 10806-86."

b. Change the precautionary labeling to read:

Causes eye irritation. Harmful if swallowed.  
Avoid contact with eyes or lips. Do not let children rub their eyes if hands have been treated.

c. On the front panel, delete "Warning: Flammable. Keep Out of Reach Of Infants And Younger Children."

DATE

7/11/90

change the physical hazards statement to read:

**Extremely Flammable.** Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130 °F may cause bursting.

- e. Add the statement "Do not puncture or incinerate" to the Storage and Disposal statement.

3. Provide the chemical identity of the fragrance. Include the Chemical Abstracts Service (CAS) Number and a Material Safety Data Sheet. All chemical components of the fragrance must be identified by CAS Numbers and percentage in the mixture. Certify that the fragrance is a nonfood type.

4. Submit a 1-year storage stability study. The formulated product must be analyzed for its active ingredients at time zero and during a year of storage. The storage must be under warehouse conditions of temperature and humidity using containers similar to those used in the trade. This data must be submitted within 15 months of the date of this Registration Notice.

5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

**CAUTION**

Instruct older children in the proper use of this product. Keep young children and infants away from this product. Do not apply to lips or around eyes. In case of contact with eyes, flush with water..

Physical or Chemical Hazards

**FLAMMABLE.**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To repel the insects listed on the Front Panel, apply liberally to all exposed skin areas. To apply to face, spray on hands and rub on. Repeat as needed. For ticks and chiggers, also apply liberally to shoe tops, socks, and around openings in clothing.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon.

**STORAGE AND DISPOSAL**

Storage: Store in a cool dry area away from heat or open flame.

Disposal: Do not reuse empty container. Wrap original container in several layers of newspaper and discard in trash.
