18/2*

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is being sold in accordance with EPA section 2(c)(7)(A) provided that you:

1. You submit all the required information for registration/reregistration of your product to the Registration Division, including a copy of the label registered for the product.
2. Make the label changes listed below when you release the product for shipment:
 - a. Add the phrase "EPA Registered No. 10806-94."
 - b. Please change the name on the proposed labeling ("Contact Roach & Ant Killer VIII") to reflect the product name on your application for registration ("Contact Roach & Ant Killer III").
 - c. Change the first sentence of the second paragraph under the Precautionary Statements label ("Do not use in . . .") to the following:

Do not apply directly to food. Do not use in food areas or food handling establishments, restaurants or other areas where food is
