Subject: Revised Label For:  
Misty Blaster Insect Spray  
EPA Registration No. 10807-3  
Application dated July 3, 2003

Dear Ms. Watson:

The proposed amendment to the registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, revising the label in accordance with PR Notices 2001-1 and 2001-6 is acceptable subject to the comment listed below. A stamped copy is enclosed for your records.

Since this product contains petroleum distillates, change the First Aid Statement for If Swallowed to read:

**IF SWALLOWED:**

- \* Immediately call a poison control center or doctor.
- \* Do not induce vomiting unless told to do so by a poison control center or doctor.
- \* Do not give any liquid to the person.
- \* Do not give anything by mouth to an unconscious person.

Submit two copies of the finished label before the product is released for shipment under this revised label.

The requested name change is acceptable. The record for the product has been changed to reflect the new name.

2/3

If you have any questions please contact Joseph Tavano at (703) 305-6411.

Sincerely,

Linda Arrington  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

NOTE: Areas highlighted in blue are per PR Notice 2001-1 and 2001-6.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately. Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After space spraying in food processing plants, wash all equipment, benches, shelving, etc., where exposed food will be handled with an effective cleaning compound following by a potable water rinse. All food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Remove birds and pets. Cover fish aquariums before spraying.

**FIRST AID STATEMENT: IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **NOTE TO PHYSICIAN:** Contains petroleum distillates - vomiting may cause aspiration pneumonia. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**PHYSICAL OR CHEMICAL HAZARDS:** Do not use or store near fire, sparks or heated surfaces. Turn off pilot lights in gas appliances and unplug or turn off electrical equipment in the use area. After airing out phase is complete, relight pilot lights and reconnect electrical current. Do not smoke in the use area. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE & DISPOSAL:** **STORAGE:** Store in a cool area away from heat or open flame. **CONTAINER DISPOSAL:** Do Not Puncture or Incinerate! **IF EMPTY:** Place in trash or offer for recycling if available. **IF PARTLY FILLED:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**SHAKE WELL BEFORE USING.**

**To kill Flies, Mosquitoes, Gnats, Wasps, Hornets:** Close doors and windows and spray toward upper corners of room. Keep valve depressed so as to thoroughly mist the room (6-7 seconds per 1,000 cubic ft.). Leave room closed for 15 minutes, after which doors and windows may be opened. **To kill Roaches, Waterbugs, Silverfish, Crickets, Ants:** Spray baseboards, cracks, crevices, moist areas, and openings around sinks and pipes and other hiding places, hitting the insects directly. Spray ant hill and ant trails over windows and door sills and other locations. Repeat as necessary for control.
