Subject: EPA Reg. No.: 10807-4  
Misty-Anti-Crawl Residual Insecticide  
Label Amendment-Pesticide Registration Notices 2001-1 & 2001-6  
Submission Dated May 23, 2003

Dear Ms. Watson :

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following conditions:

1. Delete the word "technical" listed *after* Piperonyl Butoxide in the ingredient statement.
2. Within the First Aid section, revise the second sentence of the *If Swallowed* statement, currently reading "Have a person sip a glass of water if able to do so", so that it reads "Do not give any liquid to the person." In addition, the Agency recommends the addition of an emergency phone number and the statement "Have the product container or label with you when calling a poison control center or doctor, or going for treatment" to the First Aid section.
3. The *Direction for Use* should be placed after the Precautionary Statements.

A stamped copy is enclosed for your records. Please submit one (1) final printed copy for the above mentioned label before releasing the product for shipment

Sincerely,

A handwritten signature in black ink, appearing to read "D. C. Kenny".

Daniel C. Kenny  
Product Manager (01)  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

**SPRAY ONLY ON SURFACES. DO NOT USE AS A SPACE SPRAY.**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Spray surfaces until wet. Point spray away from people, plants and pets.

**INDOOR USE:** ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS, SCORPIONS, SAWTOOTHED BEETLES, (exposed stage), WATERBUGS: Put out all flames and pilot lights. Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves and in and around waste containers. Repeat as needed. Do not spray foodstuffs or house plants. For ants, spray trails and places where ants enter premises. Do not allow children to contact treated surfaces until surfaces are completely dry.

**BROWN DOG TICKS:** Spray sleeping quarters of pets, around baseboards, window and doorframes, wallcracks and local areas of floor. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

**OUTDOOR USE:** ANTS, CLOVER MITES, CRICKETS, EARWIGS, FLEAS, MILLIPEDES, SOWBUGS and BROWN DOG TICKS: Spray infested areas thoroughly including outside surfaces of screens, window frames, foundations, patios, or other places where insects may enter. For ANTS, spray hills and runways. Repeat as necessary. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor covering.

**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**  
**CAUTION:** May be harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling. Avoid contamination of food, utensils, and food preparation areas. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Remove pets and cover fish bowls before spraying.

**FIRST AID STATEMENTS: IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **NOTE TO PHYSICIAN:** Contains petroleum distillates - vomiting may cause aspiration pneumonia. **ATROPINE SULFATE IS ANTIDOTAL.**

**PHYSICAL OR CHEMICAL HAZARDS:** Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

**STORAGE & DISPOSAL:** **STORAGE:** Store in a cool area away from heat or open flame. **CONTAINER DISPOSAL:** Do Not Puncture or Incinerate! **IF EMPTY:** Place in trash or offer for recycling if available. **IF PARTLY FILLED:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
