

PRECAUTIONARY STATEMENTS.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin. Avoid contamination of food and other foodstuff. Do not use in commercial food processing preparation, storage or serving areas. Do not spray in areas where food and foodstuffs are exposed or handled. Remove pets, birds and cover fish aquariums before spraying.

STATEMENT OF PRACTICAL TREATMENT:

EYE CONTACT: Flush with water for 15 minutes. If irritated, see physician. **SKIN CONTACT:** Wash with soap and water. If irritated, see physician. **INHALATION:** Remove to fresh air. Resuscitate if necessary. Get medical aid. **INGESTION:** Do not induce vomiting. Call physician or Poison Control Center immediately.

PHYSICAL AND CHEMICAL HAZARDS

Contents under pressure. Do not puncture or throw container into fire or incinerator. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

WARNING: Contains methyl chloroform, a substance which harms public health and environment by destroying ozone in the upper atmosphere.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not apply directly to water. Drift and runoff from treated sites may be hazardous to fish in adjacent waters.

APPLY THIS PRODUCT ONLY AS SPECIFIED ON THIS LABEL

DIRECTION FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For outdoor use. May also be used in attics, warehouses and other storage areas where foods and foodstuffs are not exposed. Kills Hornets, Wasps and Bees, outdoors and indoors.

FOR OUTDOOR USE: Application should be made in late evening when insects are at rest. Hold can upright, point valve opening away from face. With wind at back, aim at nests in trees, bushes, under eaves, chimneys, cracks or crevices, telephone and power lines.

FOR INDOOR USE: Point valve opening away from face. Aim directly at nests or under rafters and windows. Do not spray in areas where food and foodstuffs are exposed or handled. Thoroughly saturate nest with spray, contacting as many insects as possible. To prevent insects from falling on skin and clothes, do not stand under nest. If reinfestation occurs, repeat treatment.

CAUTION: Do not use on plastic, styrofoam or auto paint.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
