POWDER PUFF RESIDUAL INSECTICIDE

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE AND AT INTERVALS DURING USE.

TO OPERATE: Remove cap. Hold can upright, aim valve from about 13 inches from area to be sprayed and depress button. Avoid heavy deposits on finished surfaces. **FOOD HANDLING ESTABLISHMENTS:** Places other than private residences in which exposed food is held, processed, prepared or served. **FOOD AREAS - APPLICATION LIMITED TO CRACK AND CREVICE TREATMENT ONLY:** Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing,) preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups) and serving areas (when food is exposed and facility is in operation).

TO CONTROL ANTS, COCKROACHES, SILVERFISH, CRICKETS AND CENTIPEDES: Apply in small amounts directly into cracks and crevices using an insertion tube in points between different elements of construction, motor housings, junction of switchboxes and bases in conduits, air conditioners, breaker boxes, relays, meters, light housing, water pump housing and swimming pool motors. Prior to application, de-energize electrical equipment. After application, allow time for oil to evaporate before starting motors or placing switches in "ON" position. Care should be taken to avoid depositing the insecticide onto exposed surfaces or introducing it into the air. Avoid contamination of food or food processing surfaces. **APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A CRACK AND CREVICE TREATMENT IS NOT PERMITTED. SERVING AREAS:** Facilities where foods are served such as dining rooms but excluding areas where food may be prepared or held, apply as a spot treatment to selective surfaces and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed). **NON-FOOD AREAS:** Including garbage rooms, lavatories, floor drains (to sewers), offices, locker rooms, and storage (after canning or bottling). Apply as a spot treatment to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter. Repeat treatment as required.

TO CONTROL FLEAS: In animal quarters, treat bedding, floor and floor coverings and any areas where fleas may hide. If left undisturbed, a deposit of this product will continue to kill fleas for several weeks. Repeat application when effectiveness diminishes.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. Wash thoroughly with soap and water after handling. Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove pets, birds and cover fish aquariums before spraying.

STATEMENT OF PRACTICAL TREATMENT: IF SWALLOWED: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol. **IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists. **IF INHALED:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

PHYSICAL OR CHEMICAL HAZARDS: Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

STORAGE & DISPOSAL: **STORAGE:** Store in a cool area away from heat or open flame. **DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection. Do not incinerate or puncture.
