Air Sanitizer

Aids in the Temporary Reduction of
Airborne Bacteria

Controls Odors

MINT FRAGRANCE

EPA Est. 10807-GA-1

E.P.A. REG. NO. 10807-37

WARNING

KEEP OUT OF REACH OF CHILDREN. Con-
tains under pressure. See back panel for addi-
tional precautions.

NET WEIGHT 1 LB. 2 OZS.

The air sanitizer is especially suited for use in bath-rooms, washrooms, auditoriums, public rooms, hotel lobbies, theatres, hospitals, classrooms, railroads, air-planes, buses, taxicabs, sitting rooms, locker rooms, factories, mills, department stores and any other sim-ilar enclosed areas where the control of odors and the temporary reduction of airborne bacteria and viruses is important.

This air sanitizer will aid in the controlling of odors such as body odor, stale smoke, cooking odors, etc. Frequent use will provide a refreshing, pleasant air fragrance.

DIRECTIONS

Remove cap and point the valve opening away from your face. Spray the room until a light fog forms. To sanitize the air, spray 6 to 8 seconds in an average room (10 x 10). This will deodorize the room, tem-porarily reduce the number of airborne bacteria and virus particles and leave your room smelling pleasant. Spray several times a day to maintain a pleasant at-mosphere in the room.

ACTIVE INGREDIENTS	6.2%
n-Alkyl (60% C ₁₄ , 30% C ₁₆ , 5% C ₁₂ , 5% C ₁₈) dimethyl benzyl) ammonium chloride	0.1%
n-Alkyl (60% C ₁₂ , 32% C ₁₄) dimethyl ethylbenzyl ammonium chloride ..	0.1%
Propylene glycol	3.0%
Triethylene glycol	3.0%

INERT INGREDIENTS..... 93.8%

WARNING

Avoid spraying in the eyes. In case of contact, im-mediately flush eyes with plenty of water. Avoid con-tamination of food. Food contact surfaces and utensils should be protected from exposure to the spray or rinsed with potable water before reuse. Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator. Keep out of reach of children.
