MIZER AIR SANITIZER - LEMON-LIME

This unit is especially designed for use in closed areas where the control of odors is important. It will aid in the control of odors such as body odor, stale smoke, and cooking odors. It should be used in restrooms, dining rooms, serving areas, halls, lounges, offices, locker rooms, schools, as well as most public or private areas where odor control is needed. One unit is recommended per 8000 cubic feet of space. Air movement and ventilation rate may vary somewhat.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Open the door of the cabinet and remove used can if the machine has been previously used. With the valve opening pointed toward you, place the new can in the cabinet and snap in place. Step to one side, then turn control switch to "ON" position and push switch to start operation. The machine should operate one full cycle and dispense one shot of spray. Close the cabinet door. The unit contains 3400 controlled sprays for use in closed areas that will last for 30 days when used on a 24 hour basis, or 80 days if used 12 hours per day when set to dispense every 15 minutes.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

WARNING: Avoid contact with skin or eyes. In case of contact, immediately flush eyes with plenty of water. Avoid inhalation of spray mist. Do not use in nurseries or rooms where infants, ill or aged patients are confined. Food, food contact surfaces and utensils should be protected from exposure to the spray or rinsed with potable water before reuse.

FIRST AID STATEMENTS: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty

of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

STORAGE & DISPOSAL: **STORAGE:** Store in a cool area away from heat or open flame. **CONTAINER DISPOSAL:** Do Not Puncture or Incinerate IF EMPTY. Place in trash or offer for recycling if available. **IF PARTLY FILLED:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
