

MISTY

MENTHOL

Spray & Air Sanitizer

For Temporary Relief from Nasal Congestion due to a cold and the Temporary Reduction of Airborne Bacteria and Virus

WARNING

KEEP OUT OF REACH OF CHILDREN
CONTENTS UNDER PRESSURE

SEE BACK PANEL FOR FURTHER CAUTIONS.

Net Wt. 1.8oz. (15.2oz.)

This is an exceptional spray air sanitizer which temporarily reduces airborne bacteria, controls odor and gives prompt, temporary relief from the nasal congestion caused by the common cold. The menthol spray has a very pleasant, fresh scent that is well accepted in sickrooms of hospitals, nursing homes and other institutions. This product can also be used in hotels, motels, classrooms, railroads, airplanes, and taxi cabs for controlling body odors, stale smoke and cooking odors.

DIRECTIONS

TO SANITIZE AIR: Stand in the center of the room (10' x 10') and spray for 6 to 8 seconds.

FOR RELIEF OF NASAL CONGESTION: Spray 10-15 seconds for an average size room (10' x 10'). For night time relief, spray on the edge of pillows for two or three seconds a few minutes before retiring. For quick relief, spray on a handkerchief for three seconds, wait 30 seconds, then breathe the vapors from the handkerchief.

ACTIVE INGREDIENTS	24.60%
Oil of Peppermint	0.60%
Oil of Eucalyptus	0.65%
Menthol	0.30%
Triethylene Glycol	7.00%
Isopropanol	16.05%
INERT INGREDIENTS	75.40%

WARNING

Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 120°F may cause bursting. Never throw container into fire or incinerator. Avoid spraying in eyes or on food or food stuffs. In case of contact, immediately flush eyes with plenty of water. Keep out of reach of children. Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.
