Ms. Susan Watson  
Amrep, Incorporated  
990 Industrial Park Drive  
Marietta, GA 30062

Dear Ms. Watson:

Subject: Label Revision: Statement of Practical Treatment  
Misty Fog Away  
EPA Registration Number 10807-63

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy of the product label is enclosed for your records.

It has been noted for the record that the appropriate label statement, as put forth in PR Notice 92-3, "WARNING: Contains methyl chloroform....." has been included in the label text.

Sincerely,

Rita Kumar  
Acting Product Manager 10  
Insecticide-Rodenticide Branch  
Registration Division

LABL 10080 473-16 REV 03 93/04

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes and clothing. Avoid breathing vapors. Wash contaminated skin with soap and water. In the home, all food should be covered or removed prior to treatment. All food processing surfaces and utensils should be covered or removed during treatment or thoroughly washed with an effective cleaning compound followed by a potable water rinse prior to use. Do not use in commercial food processing, preparation, storage or serving areas. Avoid contamination of food and feedstuffs. Remove pets, birds and cover fish aquariums before spraying.

**STATEMENT OF PRACTICAL TREATMENT:** For eyes, flush with plenty of water. Get medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician or a Poison Control Center immediately. If on skin, wash with soap and water. If irritation persists consult a physician. If inhaled, remove to fresh air, resuscitate if necessary. Get medical attention.

**PHYSICAL OR CHEMICAL HAZARDS:** THIS PRODUCT CONTAINS AN EXTREMELY FLAMMABLE PROPELLANT. Do not use or store near fire, sparks or heated surfaces. Turn off pilot lights in gas appliances and unplug or turn off electrical equipment in the use area. After the airing out phase is completed, relight pilot lights and reconnect electrical current. Do not smoke in the use area. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion. Do not use this product in or on electrical equipment due to the possibility of shock hazard.

**WARNING:** Contains methyl chloroform, a substance which harm public health and environment by destroying ozone in the upper atmosphere.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in manner inconsistent with its labeling.

**STORAGE & DISPOSAL:** **STORAGE:** Store in a cool, dry area away from heat or open flame. **DISPOSAL:** Replace cap, wrap container in several layers of newspaper, and discard in trash. Do not puncture or incinerate container.

**DIRECTIONS:** Cover exposed foods, dishes and food handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Do not remain in the area during treatment and ventilate thoroughly before re-entry. **TO OPERATE VALVE:** To lock valve in open position for automatic discharge, press valve button all the way down, hooking the catch. Then place fogger on stand or table in center of room with valve locked open, placing several layers of newspaper or pad under fogger to prevent damage to wood surfaces or floors. Leave building at once and keep building closed for four hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

**TO KILL BROWN DOG TICKS:** Remove and destroy pet's old bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as necessary. Do not spray animals. Put fresh bedding in pet quarters after spray has dried. Also treat dogs and cats with a registered flea and tick control product before allowing them to enter treated area. **TO KILL FLEAS:** Follow directions for ticks, but use one can per 1,500 cubic feet. Aids in control of cockroaches.
