PHYSICAL OR CHEMICAL HAZARD  
**FLAMMABLE**--Keep away from heat and open flame.

DIRECTIONS FOR USE  
 It is a violation of federal law to use this product in a manner inconsistent with its labeling.  
**FOR DISINFECTING:** Thoroughly clean the surface to be disinfected. Hold dispenser upright about 6 to 9 inches from surface to be disinfected and spray until surface is wet.

**FOR DEODORIZING:** Hold dispenser upright. Spray into air towards the center of the room for about 4 seconds.

**FOR MILDEW CONTROL:** Clean surface. Spray surface until wet. Repeat application every week to maintain control.

**IMPORTANT:** Do not use on polished wood, furniture, or rayon fabrics.

Acts instantly and remains effective for long periods on unpleasant odors from fecal matter, urine, burns, smoke, mildew and mold, decay, garlic, onions, food, putrefaction, stale air, perspiration, tobacco, sick rooms, musty closets, fish.

STORAGE AND DISPOSAL  
 Rinse empty container thoroughly with water and detergent and discard in regular trash collection.

USES  
 This powerful hospital disinfectant and deodorant acts quickly on germ laden surfaces such as refuse cans, toilet seats, telephones, wash basins, urinals, laundry chutes, door knobs, metal beds and springs, wheel chairs, linen carts, hampers, dressing carts, clean up carts, air ducts, light switches, office machinery and other equipment after the surface has been properly cleaned. Will reduce bacteria from environmental surfaces.

Non selective odor suppressant for space odor conditioning and deodorizing surgical dressings. Molecular aerosol deodorant attacks malodor at the source. Does not cause anosmia. Suppresses and eliminates odors by chemically neutralizing odor producing materials.

Effective on odors from any source in hospitals, nursing homes, ambulances, from post colostomy, post ileostomy dressing and bags, and malignant diseases. Also effective on odors in the home, kitchens, bathrooms, industrial plant processes, food processing and packaging plants and food stores.

This product will control the following organisms: *Aspergillus niger*, *Tubercle bacillus*, *Mycobacterium smegmatis*, *Penicillium glaucum*, *Pseudomonas aeruginosa*, *Salmonella choleraesuis*, *Salmonella schottmueileri* (paratyphoid B), *Salmonella typhosa*, *Shigella paradysenteriae*, *Staphylococcus aureus*, *Streptococcus pyogenes*, *Trichophyton interdigitale*.

Completely inhibits growth of mildew (mold or fungi) on cloth.
