

JAN 10 1989

Amrep, Inc.  
990 Industrial Park Drive  
Marietta, GA 30062

Attention: Toney M. Jackson

Gentlemen:

Subject: MISTY Glycol Air Sanitizer - El Capitan Fragrance  
EPA Registration No. 10807-72  
Your Submission Dated October 1, 1987  
EPA Received Date October 23, 1987

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, Rodenticide Act, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
  - a. Revise the heading "Directions" to read: "Directions For Use."
  - b. The "Disposal" heading should be the same type size as all the other headings that appear on the labeling.
2. Submit five (5) copies of final printed labeling before you release the product for shipment. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Enclosure

ACCEPTED  
with COMMENTS  
in EPA Letter Dated:

Jan 10 1969

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act as  
amended, for the pesticide  
registered under EPA Reg. No.

10807-72

### USES

Glycol air sanitizer is especially suited for use in bathrooms, washrooms, auditoriums, public rooms, hotel lobbies, theaters, hospitals, classrooms, railroads, airplanes, buses, taxicabs, sitting rooms, locker rooms, factories, mills, department stores and any other similar enclosed area where the control of odors and the reduction of airborne bacteria and viruses is important.

Glycol air sanitizer will aid in the controlling of odors such as body odors, stale smoke, cooking odors, etc. Frequent use will provide refreshed pleasant air all day.

### DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove cap and point the valve opening away from your face. Spray the room until a light fog forms. To sanitize the air, spray 6 to 8 seconds in an average room (10' x 10'). This will deodorize the room, reduce the number of airborne bacteria and virus particles and leave your room smelling pleasant.

### STORAGE & DISPOSAL

**Storage:** Store in a cool area away from heat or open flame.  
**Disposal:** Do not reuse empty container. Wrap container and put in trash collection.

EPA EST. NO. 10807-GA-1  
EPA REG. NO. 10807-72
