SUPER PINE ODOR DISINFECTANT LIMITED DISINFECTANT TO COMBAT ODORS CAUSED BY BACTERIA

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Keep out of reach of children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin or clothing. Harmful if swallowed. Avoid contamination of food.

ENVIRONMENTAL HAZARDS.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Preclean all surfaces with an appropriate detergent. Rinse and wipe dry.

DISINFECTING AND DEODORIZING: For general disinfecting and deodorizing of hard inanimate surfaces: mix a solution of 4 ounces of product concentrate per gallon of water. Apply to surface with a mop, sponge, cloth or sprayer. Allow surface to remain wet for 10 minutes. Rinse with potable water.

LIMITED DISINFECTING: For bathrooms, showers, bathtubs, toilet bowls, locker rooms, porcelain and ceramic tile and other similar surfaces, use 4 ounces of product concentrate per gallon of water. Apply to surface with sprayer, mop, cloth or sponge. Agitate and allow to remain on surface for 10 minutes. Pick up excess solution and allow to air dry or rinse with water and dry.

FLOORS, WALLS AND WOODWORK: Solution may be used to disinfect surfaces that are not harmed by water based products. Mix solution of 4 ounces of product concentrate with 3 gallons of water. Apply solution with mop, cloth, sponge or sprayer. Allow surface to remain wet for 10 minutes. Mop up excess or rinse and allow to dry.

BARBER SHOP AND BEAUTY SALON EQUIPMENT: Preclean implements, then soak combs, brushes, razors, scissors and other related articles in a solution containing 4 ounces of product concentrate per gallon of water. Allow to soak for 10 minutes. Rinse and dry.

STORAGE AND DISPOSAL:

STORAGE: Do not expose product to heat, sparks or open flame. Store container in a cool, dry location. Do not expose product to temperature extremes. Store product in original shipping container in a locked storage area. Keep container closed when not in use. Do not contaminate water, food or feed by storage or disposal. **PESTICIDE DISPOSAL:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. In the event of a spill or leak, contain product with a dry absorbent and dispose of in accordance with state or local regulations. Wear protective clothing during clean up procedures. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.
