JAN 13 1989

Attention: Carlann D. Zuniga

Gentlemen:

Subject: C-10 Algaecide
EPA Registration No. 10807-93
Your Submission Dated May 20, 1987
EPA Received Date June 3, 1987

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. Delete the statement "This product is restricted to sale, to use and storage . . . persons only."
 - b. Revise the Environmental Hazards statement to read as follows:

Environmental Hazards

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed on NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewer treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

- c. At the next printing of the labels, the word "proof" must be deleted.
- 2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIPRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Karen M. Leavy at (703) 557-3966.

Sincerely yours,

John H. Lee
