WISLEY

FOG KILL Oil Base Insecticide

A Synthetic Pyrethoid for the
Control of Flies and Mosquitoes.

ACTIVE INGREDIENTS:
*1 Resmethrin 0.200%
INERT INGREDIENTS: 99.800%
TOTAL: 100.000%
*Cis/trans isomers ratio: max 30% (+/-) cis and min 70% (+/-) trans
†U.S. Patent No. 3,465,007
CONTAINS PETROLEUM DISTILLATES

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Use only as directed.

See added cautions on side panel

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material is taken internally. Do not induce vomiting as this may cause aspiration pneumonia. **IF INHALED:** Remove victim to fresh air. Apply artificial respiration if required. **FOR SKIN:** Remove contaminated clothing and wash affected areas with soap and water. **FOR EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
EPA REG. NO. 10807-107 EPA EST. NO. 10807-GA-1/TX-1/CA-1

NET CONTENTS 1 GALLON

This formula is to be used undiluted in only such portable thermal applicator equipment that can deliver spray particle sizes within the aerosol size range.

PRECAUTIONARY STATEMENTS

Hazards To Humans and Domestic Animals

CAUTION: Harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. Avoid direct exposure to fog. Wash contaminated clothing prior to reuse. Do not contaminate food or feed. Close off ventilating systems, air ducts, air conditioning and windows. Close off area to be treated. Extinguish all flames and pilot lights. **Food Processing Plants:** Use only when plant is not in operation. Foodstuff should be removed or covered during treatment. Food processing surfaces and equipment must be covered during treatment, or cleaned with a detergent and rinsed with potable water before use.

Environmental Hazards: This pesticide is highly toxic to fish. Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

Chemical or Physical Hazards: This formula is combustible. Keep container sealed. Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use product in a manner inconsistent with its labeling. **Thermal Applications Indoors:** For control of flies, mosquitoes and gnats in warehouses, restaurants and industrial institutions. Remove or cover exposed food and food handling surfaces. Remove animals, plant life, aquariums or cover the aquariums. Shut off ventilating systems, air ducts, air conditioning and close off room or area to be treated. Extinguish all flames and pilot lights. Apply as a dry fog at the rate of 1 1/3 fluid ounces per 1,000 cubic feet of space. Direct nozzle of thermal applicator toward the upper corners of the room and along the ceiling. Close off room for at least 1/2 hour. Do not remain in treated areas. Ventilate the area after treatment is completed. **Thermal Applications Outdoors:** For reduction in annoyance from flies, mosquitoes and gnats in backyards, patios, around swimming pools, and horse stables.

Hold thermal applicator at least five feet from any object, especially plants and shrubbery. Avoid wetting of foliage. Apply at the rate of 3 3/4 gallons of 20% product per acre which is the equivalent of 1 1/3 oz per 1000 cu ft.

Re-entry Statement: Keep treated area closed off for at least 1/2 hour. Do not remain in treated area. Ventilate thoroughly before re-entry.

STORAGE and DISPOSAL

Storage: Do not expose product to heat, spark or open flame. Store container in a cool dry location. Do not expose product to temperature extremes. Store product in original shipping container in a locked storage area. Keep container closed when not in use. Do not contaminate water, food or feed by storage or disposal. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. In the event of a spill or leak, contain product with a dry absorbent and dispose of in accordance with state or local regulations. Wear protective clothing during clean up procedures. **Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.
