ANT, ROACH, & SPIDER RESIDUAL INSECTICIDE with Dursban®  
 • A Combination of Insecticides offering Quick Knockdown and Residual Kill of Cockroaches for up to 4 Weeks, Silverfish, Clover Mites, Centipedes, Millipedes, Firebrats, Earwigs, Sowbugs, Spiders, Brown Dog Ticks, Lone Star Ticks, and Fleas.  
**PRECAUCION AL USUARIO:** Si usted no lee ingles, no use este producto hasta que la etiqueta sea traducida a su idioma.  
**TRANSLATION TO THE USER:** If you cannot read English, do not use this product until the label is translated into your language.  
 Only for sale to, use, and storage by service persons. Can be used in non-food areas.

**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**  
**CAUTION:** Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wash hands after using. Do not contaminate foodstuffs, or supplies. Thoroughly wash food contact surfaces with soap and water if they become contaminated by application of this product. Remove pets and cover fish bowls (tanks) before spraying. Do not use this product in edible crops unless specifically labeled for use. Do not use in serving areas while food is exposed.

**STATEMENT OF PRACTICAL TREATMENT: IF SWALLOWED:** Get immediate medical attention. IF IN EYES OR ON SKIN: Flush with water for 15 minutes. IF ON CLOTHING: Wash with soap and water.  
**NOTE TO PHYSICIAN:** Chlorpyrifos is a cholinesterase inhibitor. If symptoms of cholinesterase inhibition appear, stop use of this product and seek medical attention.  
**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and aquatic organisms. Do not contaminate water by the discharge of this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of the Clean Water Act and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into navigable waters or onto land.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use in non-food areas indoors and outside premises of hotels, motels, homes, preschools, apartment buildings, commercial buildings, ship cabins and hospitals. In Hospitals: Remove patients prior to treatment. Ventilate rooms for two hours before returning. Use in: corridors, offices, foyers, lavatories, garages, utility rooms, storage rooms, and basements of packaging and processing plants, plants, supermarkets, restaurants, bottling plants, canneries, flour and feed mills, and bakeries. Also for use in and around cargo planes, trucks, boxcars and ship cargo holds only if the vehicles are not used for transport of food or food products and are not used for horses and dogs. Do not spray dog and horse food or feed items.  
**Note to pest control operators:** One gallon of spray is sufficient to treat 1500 linear feet with a 6 inch spray. For contact applications, dilute with equal parts of water.  
**CONTACT SPRAY:** Kills and reduces infestations: Cockroaches, Crickets, Silverfish, Carpet Beetles, Clover Mites, Earwigs, Spiders, Fleas. Use as a spot treatment. When possible, spray directly on pests to reduce infestations. Apply as a residual treatment in cracks, crevices, most areas around pipes and sinks, under refrigerators and other appliances, baseboards and storage areas, and as necessary. Ants: To kill ants, spray trails, nests and points of entry within buildings and homes. Spray directly on ant trails and mounds (0.7L) of the product in 1 gallon (3.8L) water. Apply 1 gallon (3.8L) of solution as a gentle rain to each fire ant mound, using a nozzle with a diameter (1.2m). For best results, apply in cool weather, or in early morning or late evening hours. Treat new mounds as they appear. Fleas: Treat all mounds in the vicinity and treat all colonies which may not as yet have constructed a mound. Fleas, Brown Dog and Lone Star Ticks: Treat pet's beds and resting quarters, nearby cracks and crevices, along and behind baseboards, windows and door frames, and behind curtains. Remove and replace with clean, fresh bedding after treatment of pet areas. Do not treat pets with this product. Treat pets for flea and tick infestation. Carpet Beetles: Thoroughly apply as a spot treatment along baseboards and edges of carpeting wherever else these insects are seen or suspected. **ATTENTION:** (Pests indoors) Do not apply this water-based product to electrical equipment because of possible shock hazard. If there is need to treat such areas, use only of base sprays. Prior to application, disconnect and remove electrical equipment or place switches in the "ON" position. **RESIDUAL SPRAY:** Aids in the control of Fire Ants, Earwigs, Sowbugs. Kills up to 4 weeks. Apply on baseboards, cracks and crevices around door/window frames, and other high traffic areas in kitchens and bathrooms. In basements, apply in hiding places in cracks and crevices, lower walls and dark places. Do not to the point of run-off. Treat on a monthly basis or as necessary. **PEST OUT-OF-DOORS: GENERAL INFORMATION:** Control the following insects by application of this product: ants, earwigs, millipedes, and sowbugs by application as a residual spray or with a paint brush to outside surfaces of buildings, cracks, crevices, and other areas where these pests congregate or have been seen. Do not treat or allow the spray to contact plants, shrubs, trees, lawns, or other areas where these pests congregate or have been seen. Do not treat or allow the spray to contact animals, birds, or other animals. Repeat treatment as needed to maintain effectiveness. Note: To help prevent infestation of buildings by ants and other insects, also the building foundation to a height of 2 to 3 feet where pests are active and may find entry. Apply at the rate of about 1 gallon per 100 sq. ft. to thoroughly and uniformly wet the band.

**STORAGE & DISPOSAL:** Do not contaminate water, food, or feed by storage and disposal. **STORAGE:** Store in original container. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility in the event of a spill or leak. In accordance with state or local regulations. Wear protective clothing during clean up procedures. **CONTAINER DISPOSAL:** Dispose of in a sanitary landfill or by other approved State and local procedures.
