

JAN 24 1994

Ms. Susan Holland  
Amrep, Inc.  
990 Industrial Park Drive  
Marietta, Georgia 30062

Dear Ms. Holland:

Subject: Revised Labeling, Confidential Statement of Formula  
Misty Crack and Crevice Residual Spray with Dursban  
EPA Registration No. 10807-126  
Your Application Dated September 2, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, subject to the comments listed below.

1. Delete the phrase "for 15 minutes" in the Statement of Practical Treatment for "If In Eyes."
2. The Storage and Disposal heading should be of the same type size as the other major headings (such as the Precautionary Statements heading).

A stamped copy of this label is enclosed for your records. Five copies of the revised final printing must be submitted for our files.

The Confidential Statement of Formula (CSF), dated October 18, 1982, and included in this submission, is not acceptable. The form you have used is out-of-date, you must submit the CSF on EPA Form 8570-4. The upper and lower certified limits for each of the active ingredients in the formulation must be included on the revised CSF.

Please submit the final printed labeling and the revised CSF within 60 days of the date of this letter.

Sincerely,

DHE

Dennis H. Edwards, Jr.  
Product Manager 19

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
AND DOMESTIC ANIMALS  
CAUTION**

Do not allow children or pets to contact treated surfaces until spray has dried. Do not spray in rooms or use on plants. Apply as a surface spray only. Thoroughly wash dishes and food handling utensils contaminated with this product. Remove pets and cover fish bowls before spraying.

**PHYSICAL OR CHEMICAL HAZARDS**  
**THIS PRODUCT CONTAINS AN EXTREMELY FLAMMABLE PROPELLANT**  
Do not use or store near fire, sparks, or heated surfaces. Turn off all lights in gas appliances and unplug or turn off electrical equipment in the use area. After filling out phase is completed, reight pilot lights and reconnect electrical current. Do not smoke in the use area. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Incineration of container may cause explosion.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE & DISPOSAL**

**STORAGE** Store in a cool area away from heat or open flame.

**DISPOSAL** Do not reuse empty container. Wrap container and place in trash collection.

Shake well before each use. To operate, hold can upright, direct orifice toward the surface to be treated, and press the activator button. Do not use as a space spray. **TO KILL ANTS, CARPET BEETLES, CENTIPEDES, COCKROACHES, CRICKETS, EARWIGS, FLEAS, FRIEDRATS, MILLIPEDES, SPIDERS.** Thoroughly apply as a spot treatment to areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices, under carpets, along baseboards and door sills and frames, behind and beneath sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and air utility installations. Pests driven out of hiding places should be sprayed directly. Spray ant trails, nests and points of entry.

**TO KILL FLEAS and BROWN DOG TICKS** Apply thoroughly as a spot treatment to infested areas such as pet beds and resting quarters, and nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Fresh bedding should be placed in animal quarters following treatment. Do not spray pets with this product.

ACCEPTED  
with COMMENTS  
in EPA Letter dated

JAN 24 1984

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

10807-126
