Date of issuance:
08 JUN 1992

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Amrep 5004

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Amrep, Inc.
990 Industrial Park Drive
Marietta, GA 30062

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 10807-158".

b. Add the following to your precautions: "In hospitals, remove patients prior to treatment. Ventilate rooms for 2 hours before returning patients.

3. You must modify your Confidential Statement of Formula and/or label to correspond to the nominal concentration of the product in accordance with 40 CFR 156.10(g)(5) and PR Notice 91-2. This would involve either lowering the lower certified limit on your CSF or changing the label ingredient declaration accordingly.

Signature of Approving Official:

Date:

08 JUN 1992

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

SHAKE BEFORE USING AND AT INTERVALS DURING PROLONGED USE.

Hold container upright with nozzle away from you. Press valve down and spray as directed. To avoid possible staining of fabrics or surfaces, do not spray at close range.

Flies, Mosquitoes, Gnats, Wasps, and Flying Moths (Millers): Close all doors and windows and spray room at the rate of 1 second per 1000 cubic feet. Direct spray to all parts of the room, especially windows and other light sources which attract these insects. Keep nozzle in constant motion. Keep room closed for 10 to 15 minutes after treatment. Repeat treatment as necessary.

Roaches, Waterbugs, Silverfish, Cricket Spiders, Centipedes, and Sow Bugs: Spray into hiding place. Such as cracks and crevices, behind sinks, cabinets, along baseboards and floors, around drains and plumbing, hitting insects with spray whenever possible. Repeat treatment as necessary.

Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

Indian Meal Moths and Angoumois Grain Moths: Close doors and windows. Direct spray into all parts of room especially around stored food product container, pallets and darkened areas.

Spray 7 to 10 seconds for each 1000 cubic feet of space. Keep area closed for 15 minutes following treatment. Repeat application weekly or as needed.

Carpet Beetles: Spray directly on beetles, baseboards, floors, shelves and carpets. Repeat treatment as necessary.

Confused Flour Beetles, Saw-toothed Grain Beetles, Granary Weevils, Rice Weevils, Red Flour Beetles, Grain Mites: Spray into cracks and crevices, processing and handling equipment, around cartons or containers and other areas where these insects tend to congregate. Spray 30 seconds for each 100 square feet of surface. Keep area closed for 45 minutes to 1 hour after treatment. Repeat application as necessary.

Lice: Spray on garments, bedding, mattresses, furniture, floors, carpeting and inanimate surfaces. First spray an inconspicuous area to test for possible staining or discoloration. Inspect after drying, then proceed to spray entire area to be treated. Hold can upright with nozzle away from you. Press button and spray surface to be treated from a distance of 10 inches. Spray each square foot for 3 seconds, directing spray into all infested surfaces until moist.

For bedding: Make sure spray is directed in corners of fitted sheets and blankets as well as inside and outside of pillow cases. In the case of garments and headgear, close attention should be given to seams, hems, cuffs, collars, and creases. After treatment, bedding and all garments must be either laundered in hot water or dry cleaned as required.

For mattresses, furniture and carpeting: Direct spray into all folds, tufts, seams and crevices of infested areas until moist. Allow all treated surfaces to dry completely before use.

Bedbugs: Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and frames. Repeat treatment as necessary.

Fleas: Spray sleeping quarters, bedding, floor and floor covering where pets are kept. Repeat as necessary. Use only a recommended pet spray on pets.

STORAGE: Store in a cool, dry place and away from children and pets and away from heat. DISPOSAL: Replace container and discard in trash. PRECAUTIONS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Avoid breathing of vapors in enclosed premises after treatment. Avoid contamination of food and food product. Cover food and food product with plastic during treatment. Do not use cleaning compound for reuse. When using this product, the facility is not in operation. Remove pets, birds, and animals from premises.

STATEMENT OF WORKING CONDITIONS: IF INHALED: Remove to fresh air and respiration if indicated. If unconscious, do not resuscitate.

IF IN EYES: Flush eyes with water for 15 minutes. Consult a physician if irritation persists.

IF ON SKIN: Remove clothing. Wash affected area with soap and water. If irritation persists, wash with soap and water.

PHYSICAL AND CHEMICAL: Contents under pressure. Do not puncture. Do not burn. Do not expose to temperatures above 120°F. Buyer assumes all risks. Material not in strict accordance with EPA regulations.
