**Subject Label Notification(s), Pesticide Registration Notification (PRN) 98-10
CB® Country Vet Purge® 3, EPA Reg No 10807-467
Your Submission Dated February 27, 2012**

Dear Ms Watson

The Agency is in receipt of your application for Pesticide Notification under Pesticide Registration Notification (PRN) 98-10, dated February 27, 2012, for the referenced product. The Registration Division has conducted a review of this request for its applicability under PRN 98-10, and finds that the action(s) requested fall within the scope of PRN 98-10.

Please be reminded that 40 CFR §156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-Notification/PRN 98-10) or durably marked on the container itself.

The label submitted with this application has been time-stamped "Notification," and will be placed within the administrative file for this product. If you have any questions, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

A handwritten signature in black ink that reads "Carmen J. Rodia". To the left of the signature, there is a small handwritten mark that looks like "RJR".

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION Harmful if swallowed or absorbed through the skin. Avoid breathing vapor or spray mist. Avoid contact with the skin eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water after handling and before eating drinking chewing gum using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

(NOTE to EPA Reviewer: Boxed and bulleted format will be used if label space permits otherwise a paragraph format will be used.)

FIRST AID IF SWALLOWED Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **IF INHALED** Move person to fresh air. If person is not breathing call 911 or an ambulance. Then give artificial respiration preferably by mouth to mouth if possible. Call a poison control center or doctor for further treatment advice. **IF ON SKIN OR CLOTHING** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present after the first 5 minutes then continue rinsing eye. Call a poison control center or doctor for treatment advice. **HOT LINE NUMBER** Have the product container or label with you when calling a poison control center or doctor or going for treatment. For emergency information call 1-800-222-1222 24 hours 7 days a week. **NOTE TO PHYSICIAN** Contains petroleum distillates - vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS This product is toxic to aquatic organisms including fish and invertebrates. Drift and run off may be hazardous to aquatic organisms in water adjacent to treated areas. This product may contaminate water through run off. This water has a potential for run off for several weeks after application. Poorly draining soils and soils with shallow water tables are more prone to produce run off that contains this product. This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area. Do not apply to water to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wash waters or rinsate. See Directions for Use for additional precautions and restrictions.

PHYSICAL OR CHEMICAL HAZARDS Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not allow spray to contact plastic painted or varnished surfaces.
DIRECTIONS FOR USE It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **FOR USE IN (ON)** Food handling and food preparation areas of restaurants and food processing plants stores farms dairies barns kennels factories hotels motels offices ships planes (cargo area only) supermarkets food warehouses bottling plants [porch] [patio] homes milk and egg handling areas of dairies and chicken houses. This product contains a highly effective insecticide designed especially **FOR USE IN** automatic dispensers. The dispenser activates the metered valve every 15 minutes. Usually the effectiveness of this product will be noticeable within one

NOTIFICATION

JUN 20 2012

NOTE Previously Waterbury EPA Reg No 9444 237 CB Country Vet Purge® 3 Alternate Brand Names CB Flying Insect Purge III Country Vet Metered Insecticide Fly Spray **NOTE** To match Waterbury EPA stamped accepted label dated 02/15/2011 Changes to Amrep EPA Reg No of 10807 467 clean up of text in header in STORAGE/DISPOSAL section change in HOTLINE Number proposed Additional ABN TimeMist Purge III - Flying Insect Spray

hour after the Dispenser is activated. If less than 24 hour control is required the Dispenser should [be set to] start one hour before control is desired and run one hour after control is no longer needed. Keep in mind that factors such as airflow rate size of space treated humidity and room temperature affect insect activity and control. Therefore one unit per 6 000 cubic feet of unobstructed space should be considered as an average with adjustments made depending on specific conditions at usage site. As with any method of insect kill best results are achieved when sanitation and other positive insect prevention practices are followed.

OUTDOORS This product can be used to treat dog kennels dog runs side yards patios decks & [and] residential landscapes. Set the dispenser to treat at dawn & [and] dusk & [and] use when humans area not in the area. When heavy pest infestations are present the dispenser may be set to treat at [15] [30] [45] [15 45] minute intervals. Place the dispensers out of the reach of pets & [and] children & [and] use the prevailing wind to assist in carrying the spray throughout the area to be treated. This product can be used to kill gnats & [and] small flying moths. Each dispenser will treat up to 650 square feet. Use enough dispensers to treat the entire area you want protected. **OPERATION** Remove protective cap from top of can & [and] insert can in dispenser. Secure dispenser at least 7 feet from floor or ground & [and] at a point where air flow or wind will carry the particles throughout the area to be protected.

(NOTE to EPA Reviewer: Boxed and bulleted format will be used if label space permits otherwise a paragraph format will be used.)

GENERAL PRECAUTIONS & USE RESTRICTIONS Apply this product only as specified on this label. Do not contaminate food or feedstuffs. Do not enter or allow others to enter until vapors mists and aerosols have dispersed and the area has been thoroughly ventilated. Do not apply this product in a way that will contact workers or other persons either directly or through drift. Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosol vapors and mists have dispersed. Remove or cover exposed food and drinking water before application. Remove or cover dishes utensils food processing equipment and food preparation surfaces or wash them before reuse. For indoor food handling/processing facilities. Do not make space spray applications when facility is in operation. During space spray applications cover or remove exposed food. During space spray applications cover food processing surfaces or clean after treatment with a suitable detergent. Rinse with potable water before reuse. Do not apply more than 1 time per day. For metered release devices. Do not use in residential areas. Do not use in nurseries or rooms where infants ill or aged persons are confined. Do not place metering device directly over or within 3 feet of air vents. Carefully follow directions for the dispenser unit and when replacing cans or conducting maintenance. For agriculture applications commercial animal housing and equipment direct application to non domestic animal/livestock and outdoor ornamentals and lawns. Do not apply more than 1 time per day. When used in dairy barns or facilities. Close milk bulk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking. Remove pets birds and cover fish aquariums before application.

STORAGE & DISPOSAL Do not contaminate water food or feed by storage or disposal. **PESTICIDE STORAGE** Do not store near heat or open flame. Store in cool dry area away from children. **CONTAINER DISPOSAL** Do Not Puncture or Incinerate! IF EMPTY Offer for recycling if available. IF PARTLY FILLED Call your local solid waste agency for disposal instructions.
