DIRECTIONS: Fies, Mosquitoes, gnats: Remove pets, birds, and cover fish aquariums before spraying. Close room and discharge mist vigorously in all parts of room, using 1 ounce for each 1000 cubic feet of space. Leave room closed for at least 15 min. Do not remain in treated areas. Ventilate after treatment is completed. Sweep up and destroy fallen insects. Repeat as needed.

Fleas Infesting Premises: Remove and destroy animals' bedding and spray into all cracks in the floor and about the room. Repeat when re-infested.

Roaches, Waterbugs: Apply in all cracks and crevices in woodwork, underneath sinks, dark places behind pipes, and in all places where roaches and water bugs infest, contacting as many insects as possible. Repeat operation as often as necessary.

Clothes Moths, Carpet Beetles: Spray all articles to be protected, giving particular attention to folds and seams. Interior surfaces of storage containers such as chests, closets and trunks should be repeated every 30 days unless the articles are stored in moth tight containers.

Granary Weevil, Rice Weevil, Confused Flour Beetle, Rust Red Flour Beetle, Saw Toothed Grain Beetle, Cigarette Beetle, and Drug Store Beetle: Clean up spraying of empty flour and other cereal grain product bins. Clean all surface
