

A heavy duty cleaner and disinfectant designed for general purpose use where heavy duty cleaning and sanitizing is of prime importance. When used as directed, will remove most household dirt and grime in a single, simple application. When used for industrial cleaning, follow the use directions shown on the right side panel.

For sanitization of food processing equipment or food contact items, limit the active quaternary to 200 ppm. A potable water rinse is required.

DANGER: Keep Out of Reach of Children. Causes eye damage and skin irritation. Do Not get in eyes, on skin or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Avoid contamination of food.

FIRST AID In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician immediately.
