**FOR USE ON DOGS AND CATS**

To operate remove protective snap-off cap and hold container upright about 24 inches from pet's hair. Point nozzle toward dog and pump button up and down until animal's coat gets an even covering of SUMMER COMFORT. Use a firm back stroke to get a proper spray on coat until coat of animal is dry. It may be advantageous to comb animal's long hair after treatment to distribute the spray. Do not apply spray on the ruff. If it is directly behind the head, repeat treatment as necessary. Use one spray per coat. Repeat treatments as necessary. Do not apply spray to animal's eyes. Do not leave pets unattended. Do not use on pregnant pets or puppies under 8 weeks of age. Do not use for animals under 4 pounds (2 kg). Do not use on animals under 10 weeks of age.

**CAUTION**

Keep out of the reach of children. Harmful if swallowed.
