

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**

**DANGER**

**THIS PRODUCT IS POISONOUS.**

**PRECAUTIONS MUST BE OBSERVED IN HANDLING**

Poisonous to humans and domestic animals. Irritates eyes. Do not get in skin. Do not breathe vapor. Do not breathe fumes. Do not get on face, hands, or clothing. Do not get on water. Wash hands with soap and water before eating, drinking, or using the toilet. Wash clothing with soap and water before wearing. Do not use rubber gloves. Wash products with soap and water. Do not use respirator. Do not use in confined spaces. For more information, see the Safety Administration for Pesticides, U.S. Department of Agriculture, the National Institute for Environmental Health Protection, and the provisions of 33 CFR Part 158.

**ENVIRONMENTAL HAZARDS**

This product is highly toxic to bees exposed to direct treatment or to residues remaining on the treated area. Do not apply when bees are actively visiting the crop, cover crop, or weeds blooming in the treated area. Applications should be timed to provide the maximum possible interval between treatment and the next period of bee activity.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

**NOTICE**

**KEEP FROM FREEZING** - If this product is stored in a freezing weather, it may separate or thicken. To assure proper performance, before using, warm to room temperature and stir thoroughly.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.  
**PESTICIDE DISPOSAL** - Pesticide spray mixture or residue that cannot be used should be disposed of according to procedures approved by Federal, State or local disposal authorities.  
**CONTAINER DISPOSAL** - Under 30 gallon sizes: Triple rinse (or equivalent) and dispose of in an approved landfill or bury in a safe place. 30 gallon sizes and over: all reuse containers and offer for reconditioning or b) Triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill or bury in a safe place.  
**GENERAL** - Consult Federal, State or local disposal authorities for approved alternative procedures.

**Formula 125**  
**KILLS RESISTANT MOSQUITOES, FLIES AND COCKROACHES**

**FOR USE ONLY BY PUBLIC MOSQUITO CONTROL OFFICIALS, MOSQUITO ABATEMENT DISTRICTS & PUBLIC HEALTH OFFICIALS**  
**Not For Use Or Storage In The Home**

**IMMEDIATE KNOCKDOWN**

**ACTIVE INGREDIENTS**

- 2,4-Dichlorobenzophenone
- 2,4-Dichlorobenzophenone
- 2,4-Dichlorobenzophenone
- 2,4-Dichlorobenzophenone

**INERT INGREDIENTS**

- 2,4-Dichlorobenzophenone
- 2,4-Dichlorobenzophenone
- 2,4-Dichlorobenzophenone
- 2,4-Dichlorobenzophenone

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER**

**DANGER** - Fatal if swallowed, inhaled or absorbed through the skin. Do not breathe vapor or mist. Do not get in eyes or on skin or clothing.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED** - Call a physician immediately. Gastric lavage is indicated if material was taken orally.  
**DO NOT INDUCE VOMITING** unless other treatment is not available. Vomiting may cause aspiration pneumonia. If it is necessary to induce vomiting, give with one or two glasses of water and insert finger in back of throat. Repeat until vomit is clear. Do not induce vomiting or give anything by mouth to an unconscious person.  
**IF INHALED** - Remove victim to fresh air. Apply respiration if indicated.  
**IF ON SKIN** - Immediately remove all contaminated clothing and wash skin with soap and water.  
**IF IN EYES** - Irrigate with running water for at least 15 minutes and see a physician.

**ACCEPTED**  
 OCT 14 1980  
 Under the Federal Insecticide, Fungicide, and Rodenticide Act registered under EPA REG. NO. 10827-47

**DIRECTION: FOR USE**

Under the authority of Federal Law to use this product in a manner inconsistent with its label.

This product is specifically formulated to be used in a manner inconsistent with its label to aid in the control of mosquitoes and flies which have developed resistance to other methods.

**Read complete label directions and warnings before using. Do not use this product on areas where food or food crops are growing or be growing. For industrial use only.**

**MOSQUITOES AND FLIES** - Mix one gallon of this concentrate with 25 gallons of water or fuel oil to aid in application. Fifty gallons of this concentrate should be applied to 43,500 sq. ft. of area. If conditions are especially severe and the insect population to be controlled, increase the two gallons of this concentrate to 25 gallons of fuel oil.

**LARVAL CONTROL** - Thoroughly wet the surface where mosquitoes and flies breed or congregate, such as dumps, refuse heaps, outside buildings, low and underground near stagnant water. (Use this in water, heavily flooded areas, stagnant water, in tanks, sloughs and log ponds. Repeat when necessary.)

**FOR MUNICIPAL REDUCTION OF ROACH POPULATION** - Mix one gallon of this concentrate with ten gallons of water. Apply in a thoroughly treating the inside of manholes and sewers. Apply to garbage racks and cans and wet garbage refuse areas. Repeat the treatment when necessary. Always dilute according to directions before use. Concentrate as packed is inflammable - or when fuel oil is inflammable. Keep away from heat and flame.

**WARRANTY STATEMENT**

Industrial Solvents makes no warranty of merchantability for any purpose, or otherwise, express or implied concerning this product or its use, which extend beyond the statements on this label.
