

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals
DANGER

THIS PRODUCT IS POISONOUS.
PRECAUTIONS MUST BE OBSERVED IN HANDLING.

Poisonous if swallowed, inhaled or absorbed through skin or eyes. Do not get on skin or in eyes or on clothing. Do not breathe fumes. In case of contact, wash immediately with soap and water. Wash hands, arms and face thoroughly with soap and water before eating or smoking. Wash all contaminated clothing with soap and hot water before re-use. Wear natural rubber gloves. Wear protective clothing. Wear a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the US Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR Part 11.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. String and crab may be killed at application rates stated on this label. Do not apply where there are important resources. Keep out of lakes, streams or ponds (except when using for mosquito larvae control). Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

This pesticide is highly toxic to bees exposed to direct treatment or to residues remaining on the treated area. Do not apply when bees are actively visiting the crop, cover crop, or weeds blooming in the treated area. Applications should be timed to provide the maximum possible interval between treatment and the next period of bee activity.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

NOTICE

KEEP FROM FREEZING: If this product is stored in cold or freezing weather, it may separate or thicken. This will not harm the performance. Before using, warm to room temperature and stir thoroughly.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

PESTICIDE DISPOSAL — Pesticide, spray mixture or rinse that cannot be used should be disposed of according to procedures approved by Federal, State or local disposal authorities.

CONTAINER DISPOSAL — Under 30 gallon size: Triple rinse (or equivalent) and dispose of in an approved landfill or bury in a safe place. 30 gallon size and over: a) Recycle container or send off for reconditioning or b) Triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal of empty container. Bury in a safe place.

GENERAL — Consult Federal, State or Local disposal authorities for approved alternative procedures.

Formula 125

KILLS RESISTANT MOSQUITOES, FLIES AND COCKROACHES

**FOR USE ONLY BY PUBLIC MOSQUITO CONTROL OFFICIALS,
 MOSQUITO ABATEMENT DISTRICTS & PUBLIC HEALTH OFFICIALS.**
 Not For Use Or Storage In The Home.

POISON

ACTIVE INGREDIENTS:

*Methoxychlor, Technical-----	17.50%
**Malathion-----	11.70%
2,2-dichlorovinyl dimethyl phosphate-----	4.37%
Related compounds-----	.33%
INERT INGREDIENTS:-----	66.10%
TOTAL-----	100.00%

* Equivalent to 15.4% 2,2-bis (p-methoxyphenyl)-1,1,1-trichloroethane and 2.1% other isomers and related compounds.

** 0,0-Dimethyl dithiophosphate of diethyl mercaptosuccinate.

KEEP OUT OF REACH OF CHILDREN
DANGER

DANGER — Fatal if swallowed, inhaled or absorbed through the skin. Do not breathe vapor or mist. Do not get in eyes or on skin or clothing.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED — Call a physician immediately. Gastric lavage is indicated if material was taken internally.

DO NOT INDUCE VOMITING unless other treatment is not available. Vomiting may cause aspiration pneumonia. If it is necessary to induce vomiting, give victim one or two glasses of water and insert finger in back of throat. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED — Remove victim to fresh air. Apply respiration if indicated.

IF ON SKIN — Immediately remove all contaminated clothing and wash skin with soap and water.

IF IN EYES — Irrigate with running water for at least 15 minutes and see a physician.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with it's labeling.

This product is specifically formulated to be used by experienced personnel to aid in the control of flies and mosquitoes which have developed resistance to chlorinated insecticides.

Read complete label directions and warnings before using. Do not use this product on any areas where food or food crops are growing, or will be growing. For industrial use only.

MOSQUITOS AND FLIES: Mix one gallon of this concentrate with 25 gallons of water or fuel oil to aid in controlling mosquitoes and flies. Fifty gallons of this ready-to-use insecticide should be applied to 43,500 sq. ft. of area (one acre). If conditions are especially severe and there is a heavy insect population to be controlled, increase the quantity to two gallons of this concentrate to 25 gallons of water or fuel oil.

LARVAL CONTROL: Thoroughly wet the surface of all areas where mosquitoes and flies breed or congregate, such as garbage dumps, refuse heaps, outside buildings, low damp areas and undergrowth near stagnant water. (Use this dosage only in intermittently flooded areas, stagnant water, temporary rain pools, sloughs and log ponds). Repeat when necessary.

FOR MUNICIPAL REDUCTION OF ROACH POPULATIONS: Mix one gallon to ten gallons of water. Apply in a wet spray, thoroughly treating the inside of manholes and sewage lines. Apply to garbage racks and cans and wet garbage dumps and refuse areas. Repeat the treatment when necessary.

Always dilute according to directions before using. Concentrate as packed is inflammable — or when diluted with fuel oil is inflammable. Keep away from heat and open flame.

WARRANTY STATEMENT

Industrial Solvents makes no warranty of merchantability, fitness for any purpose, or otherwise, express or implied, concerning this product or its use, which extend beyond the statements on this label.
