

Precautionary Statements
 Hazards to Humans & Domestic Animals
CAUTION - - Harmful If Swallowed

IRRITATING TO EYES AND SKIN

Do not get on skin, in eyes or clothing

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams and ponds. Do not contaminate water. Do not use near drinking of equipment or disposal of wastes. Do not allow to drift or drain onto or near riparian or other desirable plants.

PHYSICAL OR CHEMICAL HAZARDS

Do not pour, spill or store around heat or open flame.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed or other pesticides by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

PESTICIDE DISPOSAL - Pesticide spray mixture residues that cannot be used should be disposed of according to procedures approved by Federal, State or local disposal authorities.

CONTAINER DISPOSAL - Under 30 gallon sizes: Triple rinse (or equivalent) and dispose of in an approved landfill or bury in a safe place. 30 gallon sizes and over: Triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill or bury in a safe place.

GENERAL - Consult Federal, State or local disposal authorities for approved alternative procedures.

URO-SOL 2

NON-SELECTIVE WEED KILLER

For Use On Crop Areas, Such As Right-Of-Ways,
 Tank Farms, Power Stations, Parking Areas, Etc
 Kills Most Vegetation For A Season Or Longer

ACTIVE INGREDIENTS

Mesurox Tri-chloroacetate | 3
 (p-chlorophenyl-1,1-dimethylurea
 trichloroacetate) | 6.40%
 Acromite Petrochem Derivative | 5.57%

INERT INGREDIENTS

Total 100%

CONTAINS 1/2 pound of Urox* per Gallon

*Urox is a Trade Name of Urox, a registered trademark of
 Dow Chemical Company, 2722 12th St. 28191

KEEP OUT OF REACH OF CHILDREN CAUTION

Read the following statement of practical treatment for
 the above named pesticide. It is intended to be used as a
 guide only.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Give first aid as directed on label. If
 necessary, call a physician.
 IF INHALED: Move to fresh air. If necessary, call a
 physician.
 IF ON SKIN: Wash with soap and water. If necessary,
 call a physician.

See side panels for additional precautionary statements

DIRECTIONS

Under Federal Law to use this
 product in accordance with its label.

NON-CROP AREAS

Apply URO-SOL 2 to Right-of-Ways, Right-of-Flare
 Areas, Tank Farms, Power Stations, and Parking Lots for control of
 weeds and grasses. The effective rate will be 1/2 to 1 gallon of
 URO-SOL 2 per 1000 square feet.

DO NOT apply URO-SOL 2 to areas where it might
 damage desirable plants.

DO NOT apply URO-SOL 2 full strength. Mix to a
 solution of 1/2 to 1 gallon of URO-SOL 2 per 1000 square feet.
 The dilution rate will be 1/2 to 1 gallon of URO-SOL 2 per
 1000 square feet. Heavy stands will require the strong
 solution.

URO-SOL 2 is a contact herbicide intended to kill
 the foliage of broad-leaved weeds, grasses and other
 plants.

HOW TO APPLY - Use a sprayer which will distribute the
 liquid evenly over the area to be treated. Use a coarse spray to
 reduce drift. Make when top growth is dense. For better control
 of weeds, apply when excess growth is mowed or
 matted.

WHEN TO APPLY - Best results will be obtained if applied
 in the late afternoon or evening. Rain or thorough watering
 will reduce the effectiveness of the product.

DO NOT apply URO-SOL 2 with fertilizers, insecticides, fungicides,
 herbicides, or other pesticides. URO-SOL 2 should be used only
 after the area to be treated has been cleaned with a
 herbicide. Do not apply URO-SOL 2 with fungicides,
 insecticides, or other pesticides. This product
 will kill weeds and grasses. Temporary
 control may be caused by heavy applications of the
 product. It disappears in the "overwinter" period.

For use on areas where it is difficult to control
 weeds and grasses with other methods.

IMPORTANT! Wash spray nozzle and equipment after use to remove
 URO-SOL 2 residue. Use of this product as an
 herbicide should be preceded with an asphaltic base
 or other material. Wash exterior of equipment at end of each day and apply
 URO-SOL 2 as often as practical. When equipment
 is washed exterior wash with oil, for end of season
 wash with oil and wash with oil.

INDUSTRIAL SOLVENTS

DIVISION OF CHEMICAL SPECIALTIES, INC. • SAN MARCO, TEXAS

Cautionary Statements
Harmful to Humans & Domestic Animals
Harmful If Swallowed

HAZARDOUS TO EYES AND SKIN
 Irritation of eyes and skin
 Wash clothing

ENVIRONMENTAL HAZARDS
 Do not discharge into lakes, streams, rivers, or other water supplies by direct disposal of wastes. Do not apply into or near airplanes, or other aircraft.

CHEMICAL HAZARDS
 Do not use around heat or open flame.

USE AND DISPOSAL

Do not use with food or feed or other pesticides. Open dumping is prohibited.

As a herbicide, spray mixture or residue should be disposed of according to Federal, State or local disposal regulations.

Under 30 gallon sizes: Triple rinse and dispose of in an approved landfill. 30 gallon size and over: a) reuse, reconditioning or b) Triple rinse for recycling, reconditioning or fill or bury in a safe place.

Follow Federal, State or local disposal alternative procedure.
