

Remover: WEED & GRASS KILLER

READY-TO-USE OIL BASE SPRAY FORMULATED FOR GENERAL WEED CONTROL ON NON-CROP LANDS AND PAVED AREAS

DIRECTIONS FOR USE

For use on Non-crop land such as Right-of-Ways, Industrial Plants, Lumber Yards, Tank Farms, Storage Areas, and Parking Lots for control of most annual and perennial grasses, and broad-leaved weeds. The effectiveness and length of time that control will last will depend on type of soil, amount of rain and other conditions.

RATE: Under ordinary conditions, use at the rate of 2 to 4 gallons per 1000 sq. ft. (1-3/5 to 3-1/5 pints per 100 sq. ft.) Under conditions where the weeds are difficult to control, use at the rate of 6 gallons per 1000 sq. ft. (4 4/5 pints per 100 sq. ft.)

HOW TO APPLY: Use a sprayer which will distribute the required amount evenly over the area to be treated. Use a coarse spray to reduce drift. Application may be made when top growth is dense, but better control will be obtained when weeds are short, or when excess growth is mowed and removed before applying.

WHEN TO APPLY: Best results will be obtained if applied shortly before or at the time plant growth begins. Rain or thorough watering after application will cause the material to move to the root zone and thus speed up control.

CAUTION: Keep Out Of Reach Of Children

Do Not apply, allow to drift or drain or flush equipment onto or near croplands, lawns, trees, or other desirable plants or to areas where their roots may extend. **Do Not** contaminate irrigation ditches or water used for domestic purposes. **Do Not** allow contact with fertilizers, insecticides, fungicides or seeds. Application equipment should be thoroughly cleaned with a detergent and water to prevent corrosion. Equipment which has been used to apply this product should not be used for applying insecticides, fungicides, fertilizers or other agricultural chemicals as plant injury may result. **Do Not** reuse empty containers. Destroy cans by perforating or crushing and burying in a safe place. Drums should be returned to the drum reconitioner or destroyed by perforating or crushing and burying in a safe place away from water supplies. **HARMFUL IF SWALLOWED.** Avoid contamination of feed and foodstuffs.

Do Not get on skin, in eyes or on clothing. In case of contact, immediately wash skin with plenty of water; for eyes, wash with water for at least 15 minutes and get medical attention.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

EPA Reg. No. 10882-9 EPA Est. No. 10882-NJ-1
U.S. Patents No. 2,782,112 & 2,801,911

ACTIVE INGREDIENTS:

Monuron Trichloroacetate 3 (p chlorophenyl) 1,	
1 dimethylurea trichloroacetate	3.19%
Aromatic Petroleum Derivative	90.10%
Inert Ingredients	6.71%
