856 INSECT REPELLENT II

Directions For Use: Read and follow all directions and precautions on this product label. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. Do not spray in enclosed areas. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To repel the insects listed on the front panel, first remove protective cap. Hold can at least 12 inches away, point valve in desired direction and press button to spray. Do not spray in enclosed areas. Apply to exposed skin areas. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to hands of young children. Do not spray directly on face. To apply to face, spray on hands and rub on. Use just enough repellent to cover exposed skin and/or clothing.

Do not use under clothing. Avoid over-exposure. Frequent reapplication and saturation is unnecessary for effectiveness. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon.

NOTICE: This product contains a chemical known to the State of California to cause cancer.

Precautionary Statements: Hazards to Humans and Domestic Animals

CAUTION: KEEP OUT OF REACH OF YOUNG CHILDREN AND INFANTS. Do not spray on face, lips or into eyes. In case of contact with eyes, flush with water. Harmful if swallowed. Avoid breathing spray mist. May cause eye irritation.

PHYSICAL HAZARDS: Extremely Flammable! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130 degree F may cause bursting.

FIRST AID

IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF INHALED

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

STORAGE AND DISPOSAL:

Storage: Store in a cool, dry area away from heat or open flame.

Disposal: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

Important Note: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
