Sprayon® Hi-Tech Wasp and Hornet Spray

Notice: This product is formulated exclusively for the telecommunications and power industries to prohibit damage to plastic connectors and other insulating materials

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove protective cap. Point spout-type nozzle toward nest, crevice or hole where infestation or insects are known to be inside. Press center of valve top all the way down and spray area until saturated with insecticide. User should always use this product with the wind at his back. Apply to nesting areas. If insects reinfest their nest, re-treat as described above. Use only out of doors.

Warranty Statement: Our recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

To use entire contents:
Hold sprayhead stationary and rotate can until material sprays as shown.

STORAGE: Do not store near heat or open flame. Keep in locked storage area.

CONTAINER DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.
