NET INGREDIENTS 50.00

CAUTION

KEEP OUT OF REACH OF CHILDREN.

Harmful if swallowed. Avoid inhaling fumes. This material may cause skin irritation. Wash hands and face thoroughly after using. Do not store near heat or open flame. Use with adequate ventilation. Keep container closed. Do not use treated seed for food, feed or oil purposes. Avoid contact with skin, eyes or clothes. See other precautions on the back side label.

SEED DISINFECTANT AND INSECTICIDE FOR DRILL OR PLANTER BOX APPLICATION

Directions for Use

WHEAT 1/2 lb. per 100 bushels
BARLEY, OATS, RYE 1/3 lb. per 100 bushels
FLAX 1/4 lb. per 100 bushels
CORN 1/2 lb. per 100 bushels

METHOD OF APPLICATION

1. Fill a 5-gallon bucket with water and add 1/2 lb. of TRINOX seed treatment. Stir thoroughly. Pour the mixture into a drill or planter box. Use the mixture to treat the seed before planting. The mixture will kill any insects or diseases that may be on the seed. It will also protect the seed from insects and diseases after it is planted.

2. If you are using a drill or planter box, you should add the mixture to the box before you start planting. If you are using a broadcast method, you should add the mixture to the seed before you broadcast it.

3. Do not use the mixture on any other crops. It is only for use on the crops listed in the directions for use.

CAUTION

Avoid contact with TRINOX. It may be fatal if inhaled or swallowed or may be absorbed through the skin. Do not breathe dust. Wear mask over mouth and nose while handling. Wash thoroughly with soap and water after handling and before eating or smoking. In case of contact with eyes, flush with plenty of water and get medical attention.

Do not treat seed indoors unless there is thorough ventilation. Store treated seed in a ventilated place away from foodstuffs. Keep container tightly closed when not in use. Avoid any contamination of feed and foodstuffs. Do not use any treated seed for feed.

If Manganese Ethylene bisdithiocarbamate, Maneb, becomes active in its fungicidal effectiveness, may be used as a seed disinfectant. Do not use for any other purpose. **KEEP AWAY FROM FLAMES OR SPARKS** Store in a cool, dry place.

TOXIC TO FISH:

Toxic to fish and wildlife. Do not contaminate any body of water by cleaning of equipment and disposal of waste. Do not use treated seed or equipment near water. Do not use treated seed or equipment near water.

DESTROY EMPTY CONTAINERS:

Do not use empty containers for other purposes. Do not reuse. Do not burn.

NOTE: Treated seed is not to be stored in a

DISINFECTED FEED

DO NOT FEED TO ANIMALS OR MAN.

DO NOT USE FOR FOOD FEED OR C
