

DIRECTIONS FOR USE

EZELL'S ANT AND INSECT POWDER is effective for the control of ants, crickets, squash bugs and lygus bugs. EZELL'S ANT AND INSECT POWDER to be applied in areas such as trails, baseboards, cracks, crevices, wall spaces, etc. Application should be repeated as necessary.

★

Also For Lawn Moths, Wireworms and Cutworms

EZELL'S ANT AND INSECT POWDER is also an effective control on such insects around buildings as roaches, ants and silver-fish. Apply so as to give an even coverage of powder on the affected areas.

★

For specific control problems consult the agricultural authorities in your district.
