

**CAUTION:** Keep Out Of Reach Of Children. Harmful if swallowed, inhaled or absorbed through the skin. Do not breathe spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs. Do not permit children or pets into or onto sprayed areas until completely dried. Do not re-use empty container. Destroy when empty.

This product is toxic to fish, shrimp, crab and other wildlife. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

This product is highly toxic to bees exposed to direct treatment or residue on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.** Buyer assumes all risks of use, storage or handling of this material not in strict accordance with label directions.

**LAST APPLICATION BEFORE HARVEST: 1 DAY—Pears, Beans, Cucumbers, Melons, Squash; 3 DAYS — Apples, Cherries, Plums, Peppers, Tomatoes; 5 DAYS — Corn; 7 DAYS — Apricots, Peaches, Cabbage, Head Lettuce, Citrus; 14 DAYS — Leaf Lettuce.**

**DIRECTIONS:** Spray thoroughly. Thorough coverage is important. Start spraying when insects first appear and repeat as necessary.
