

USE DIRECTION

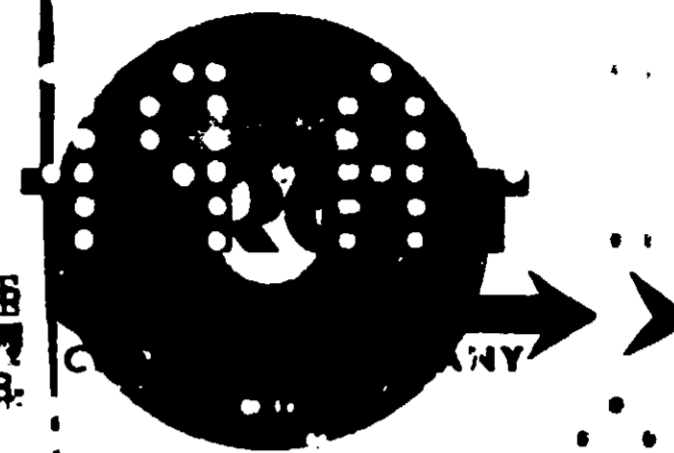

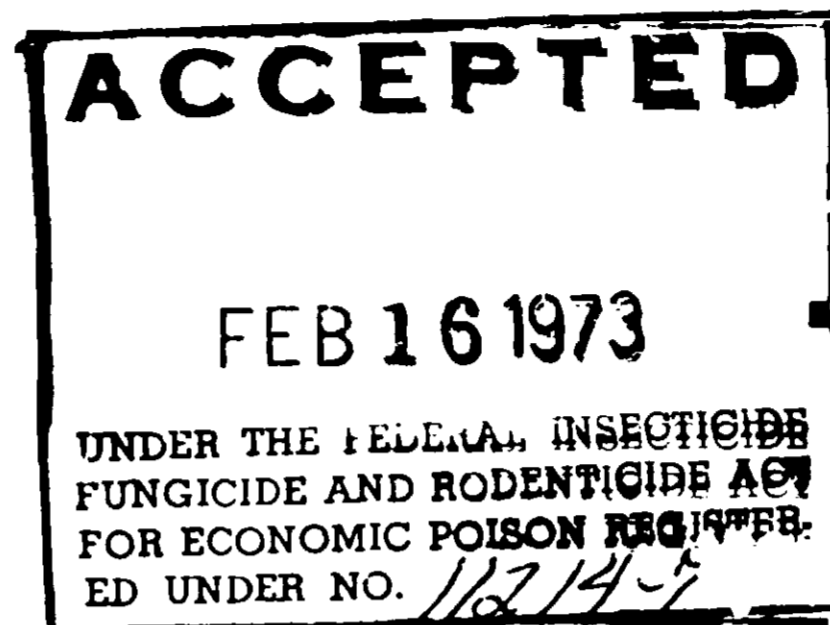

READ ENTIRE LABEL BEFORE USING.
USE ONLY AS DIRECTED.

Mix ZECTRAN insecticide with water and apply as a spray, to pest infested ornamental plants and turf as specified in the Use Recommendations Table.

Make the application using hand or power spray equipment or hose attached applicator that will provide thorough and uniform coverage of plants and turf. Re-treat as necessary.

USE RECOMMENDATIONS TABLE

Plants	Pests Controlled	Amount of ZECTRAN per 100 gallons of water	Remarks
Ornamentals <u>Flowers</u> <u>Shrubs</u> <u>Vines</u> Trees (shade and flowering) Evergreen	Loopers, tent caterpillars, European pine shoot moth, birch leaf miner, thrips, red-pine sawfly, lygus, leafhoppers	1 quart	Spray to wet plants thoroughly including both upper and lower leaf surfaces. WARNING: Do not use on maiden-hair fern, cape chestnut or Geraldton wax flower.
	Armyworms, cutworms, aphids, soft scales, scale crawlers, mealybugs, whiteflies, mites	1/2 quarts	Excessive dosage may cause slight injury to new foliage growth on roses, phlox and petunias.
Turf and ground covers	Snails, slugs, sod webworms (lawn moths), armyworms, cutworms, millipedes, sowbugs (pillbugs)	1 1/2 quarts	Water turf thoroughly before treating. Apply 1 gallon of spray mixture per 130 to 180 square feet of area treated. Soak debris under infested plants to kill snails and slugs secluded in such spots. NOTE: Snails and slugs stop feeding soon after treatment but complete kill may be delayed for two or three days.

USE PRECAUTIONS

** Note: 2 and 3 teaspoonfuls per 1 gallon are equivalent to 1 and 1½ quarts per 100 gallons respectively.

Avoid contamination of lawn and garden fishpools. Keep children and pets off treated areas until spray has dried.

This product is toxic to wildlife and birds. Do not apply when wind may cause spray to drift from treated areas during application. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning equipment or disposal of waste. Bury waste in non-cropland away from water supplies. Containers should be disposed by burying with wastes. Apply this product only as specified on this label.

WARNING

KEEP OUT OF REACH OF CHILDREN

**MAY BE ABSORBED THROUGH SKIN
MAY BE INJURIOUS TO EYES**

Avoid Eye and Skin Contact. Avoid Breathing Spray Mists. Avoid contamination of food, feedstuffs and water supplies. Wash thoroughly after handling. In case of contact, immediately flush contaminated eyes with plenty of water for at least 15 minutes and get medical attention. If swallowed, call a physician immediately.

NOTE TO PHYSICIAN: Active ingredient has cholinergic effects. Treat symptomatically. Atropine is an antidote.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instruction or under abnormal conditions or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
